[^{F1}Modification of conditions under Article 14: supplementary

14A.—(1) Paragraphs (2) and (3) apply where at any time the Authority modifies the conditions of licences of any type under Article 14.

(2) If the conditions modified are standard conditions, the Authority must—

- (a) also make (as nearly as may be) the same modifications of those conditions for the purposes of their incorporation in licences of that type granted after that time, and
- (b) publish the modifications in such manner as it considers appropriate for the purpose of bringing them to the attention of persons likely to be affected by the making of the modifications.

(3) The Authority may make such incidental or consequential modifications of any conditions of licences of any type as it considers necessary or expedient.

(4) The modification of part of a standard condition of a particular licence under Article 14 does not prevent any other part of the condition from continuing to be regarded as a standard condition for the purposes of this Part.

(5) The modification of a condition of a licence under this Article has effect subject to the giving of a direction under paragraph 2 of Schedule 3A in relation to the decision to which the modification relates.]
