(a) that—

- (i) it is unable to conclude, on reasonable terms, a management agreement with the owner or occupier of the land; or
- (ii) that a management agreement entered into by the owner or occupier of the land has been breached in such a way that the land is not being managed satisfactorily; and

(b) that it is necessary to acquire the land in order to protect the flora, fauna or geological, physiographical or other features by reason of which the land is of special scientific interest.

(3) Sections 97(2) and (3) of, and Schedule 6 to, the Local Government Act (Northern Ireland) 1972 (c. 9) shall apply subject to the modifications set out in Schedule 2 to the Nature Conservation and Amenity Lands (Northern Ireland) Order 1985 (NI 1) for the purpose of vesting orders under this Article.

(4) The Department may by agreement acquire the estate of any owner of land included in an ASSI.

(6) Where the Department is of the opinion that any land acquired under this Article would be more expediently or efficiently managed or conserved in the public interest by any other person, the Department may convey (either for value or otherwise) that land to that person.

(7) Without prejudice to paragraph (6), the Department may dispose of any land acquired under this Article which the Department no longer requires for the purpose for which it was acquired.

(8) A conveyance under paragraph (6) or disposal under paragraph (7)—

- (a) shall be in accordance with arrangements approved by the Department of Finance and Personnel; and
- (b) shall be on such terms and conditions as the Department may think fit,

and the Department may—

- (i) impose such restrictions as the Department may think necessary on the use of the land conveyed or disposed of; and
- (ii) grant or reserve such rights over the land as the Department may think fit.

(9) Nothing in section 5 of the Stormont Regulation and Government Property Act (Northern Ireland) 1933 (c. 6) shall affect the disposal by the Department of land acquired under this Article.

Powers to carry out works, etc.

42. The Department may carry out such works and do such other things on land acquired under Article 41 as the Department thinks necessary or expedient for the proper management and use of that land for the purpose for which that land was acquired.

43.—(1) The Department may enter into an agreement with the owner or occupier of any land adjacent to an ASSI for securing that his land is managed in such a way as—

- (a) to conserve or enhance any of the flora, fauna, or geological, physiographical or other features by reason of which the ASSI is of special scientific interest, or
- (b) not to destroy or damage any of those features or not to disturb any of those fauna.
