- (b) in accordance with any conditions to which the permit is subject.

5. Specifying restrictions or other requirements in connection with the grant of permits (including provisions for restricting the grant of permits to those who are fit and proper persons within the meaning of the regulations); and otherwise regulating the procedure to be followed in connection with the grant of permits.

6.—(1) Prescribing the contents of permits.

(2) Authorising permits to be granted subject to conditions imposed by enforcing authorities.

(3) Securing that permits have effect subject to—

- (a) conditions specified in the regulations; or
- (b) rules of general application specified in or made under the regulations.

7.—(1) Requiring permits or the conditions to which permits are subject to be reviewed by enforcing authorities (whether periodically or in any specified circumstances).

(2) Authorising or requiring the variation of permits or such conditions by enforcing authorities (whether on applications made by holders of permits or otherwise).

(3) Regulating the making of changes—

- (a) in the operation of the installations or plant to which permits relate, or
- (b) in the case of permits for the carrying on of activities otherwise than in the course of operating any installation or plant, in the carrying on of the activities.

8.—(1) Regulating the transfer or surrender of permits.

(2) Authorising the revocation of permits by enforcing authorities.

(3) Authorising the imposition by enforcing authorities of requirements with respect to the taking of preventive or remedial action (by holders of permits or other persons) in connection with the surrender or revocation of permits.
