Orders for securing compliance

Orders for securing compliance

42.—(1) Subject to paragraphs (2) [^{F15}and (5) to] (6) and Article 43, where the Authority is satisfied that a [^{F16}regulated person] is contravening, or is likely to contravene, any relevant condition or requirement, it shall by a final order make such provision as is requisite for the purpose of securing compliance with that condition or requirement.

(2) Subject to paragraphs [^{F17}(5) to] (6), where it appears to the Authority—

- (a) that a [^{F16}regulated person] is contravening, or is likely to contravene, any relevant condition or requirement; and
- (b) that it is requisite that a provisional order be made,

the Authority shall (instead of taking steps towards the making of a final order) by a provisional order make such provision as appears to it requisite for the purpose of securing compliance with that condition or requirement.

(3) In determining for the purposes of paragraph (2)(b) whether it is requisite that a provisional order be made, the Authority shall have regard, in particular—

- (a) to the extent to which any person is likely to sustain loss or damage in consequence of anything which, in contravention of the relevant condition or requirement, is likely to be done, or omitted to be done, before a final order may be made; and
- (b) to the fact that the effect of the provisions of this Article and Article 44 is to exclude the availability of any remedy (apart from under those provisions or for negligence) in respect of any contravention of a relevant condition or requirement.

(4) Subject to paragraphs [F18(5) to] (6) and Article 43, the Authority shall confirm a provisional order, with or without modifications, if—

- (a) it is satisfied that the [F16regulated person] to whom the order relates is contravening, or is likely to contravene, any relevant condition or requirement; and
- (b) the provision made by the order (with any modifications) is requisite for the purpose of securing compliance with that condition or requirement.

(5) The Authority shall not make a final order or make or confirm a provisional order in relation to a [F16regulated person] if it is satisfied—

- (a) that the duties imposed on it by Article 12 or 14 [F19or Article 9 of the Electricity (Single Wholesale Market) (Northern Ireland) Order 2007.] preclude the making or, as the case may be, the confirmation of the order;^{F20} . . .
- (b) ^{F20}

[F21(5A) Before making a final order or making or confirming a provisional order in relation to a licence holder, the Authority shall consider whether it would be more appropriate to proceed under the Competition Act 1998.

(5B) The Authority shall not make a final order or make or confirm a provisional order in relation to a licence holder if it considers that it would be more appropriate to proceed under the Competition Act 1998.]

(6) The Authority is not required to make a final order or make or confirm a provisional order if it is satisfied—

- (a) that the [F16regulated person] has agreed to take and is taking all such steps as it appears to the Authority for the time being to be appropriate for the [F16regulated person] to take for the purpose of securing or facilitating compliance with the condition or requirement in question; or
- (b) that the contraventions were, or the apprehended contraventions are, of a trivial nature.

(7) Where the Authority is satisfied as mentioned in paragraphs (5) and (6) [F22or decides that it would be more appropriate to proceed under the Competition Act 1998], it shall—

- (a) serve notice that it is so satisfied [F23or has so decided] on the [F16regulated person]; and
- (b) publish the notice in such manner as it considers appropriate for the purpose of bringing the matters to which the notice relates to the attention of persons likely to be affected by them.

(8) A final or provisional order—

- (a) shall require the [F16regulated person] to whom it relates (according to the circumstances of the case) to do, or not to do, such things as are specified in the order or are of a description so specified;

Status: Point in time view as at 25/07/2014.

Changes to legislation: There are currently no known outstanding effects for the The Energy (Northern Ireland) Order 2003, PART VI. (See end of Document for details)

(b) shall take effect at such time, being the earliest practicable time, as is determined by or under the order; and

(c) may be revoked at any time by the Authority.

(9) In this Part—

“final order” means an order under this Article other than a provisional order;

“provisional order” means an order under this Article which if not previously confirmed in accordance with paragraph (4), will cease to have effect at the end of such period (not exceeding three months) as is determined by or under the order.

Status: Point in time view as at 25/07/2014.

Changes to legislation: There are currently no known outstanding effects for the The Energy (Northern Ireland) Order 2003, PART VI. (See end of Document for details)

the [F36regulated person] may make an application to the High Court under this Article.

(2) An application under paragraph (1) must be made—

- (a) within 42 days from the date of service on the [F36regulated person] of a notice under Article 45(6), or
- (b) where the application relates to a decision of the Authority on an application by the [F36regulated person] under Article 45(7), within 42 days from the date the [F36regulated person] is notified of the decision.

- (c) in the case of an application under paragraph (1)(c), may substitute for the date or dates imposed by the Authority an alternative date or dates.

(4) The grounds falling within this paragraph are—

- (b) that any of the requirements of paragraphs (4) to (6) or (8) of Article 45 have not been complied with in relation to the imposition of the penalty and the interests of the [F36regulated person] have been substantially prejudiced by the non-compliance; or

(7) Where the court specifies as a date by which the penalty, or a portion of the penalty, is to be paid a date before the determination of the application under this Article it may require the payment of interest on the penalty, or portion, from that date at such rate as it considers just and equitable.

(8) Except as provided by this Article, the validity of a penalty shall not be questioned by any legal proceedings whatever.
