Health services charges

Liability to pay health services charges

3.—(1) This Article applies if—

(a) a person makes a compensation payment to or in respect of any other person (the “injured person”) in consequence of any injury, whether physical or psychological, suffered by the injured person, and

(b) the injured person has—

(i) received health services treatment at a health services hospital as a result of the injury,

(ii) been provided with health services ambulance services as a result of the injury for the purpose of taking him to a health services hospital for health services treatment (unless he was dead on arrival at that hospital), or

(iii) received treatment as mentioned in head (i) and been provided with ambulance services as mentioned in head (ii).

(2) The person making the compensation payment is liable to pay the relevant health services charges in respect of the treatment or ambulance services to the Department.

(3) “Compensation payment” means a payment, including a payment in money’s worth, made—

(a) by or on behalf of a person who is, or is alleged to be, liable to any extent in respect of the injury, or

(b) in pursuance of a compensation scheme for motor accidents,

but does not include a payment mentioned in Schedule 1.

(4) Paragraph (1)(a) applies—

(a) to a payment made—

(i) voluntarily, or in pursuance of a court order or an agreement, or otherwise, and

(ii) in the United Kingdom or elsewhere, and

(b) if more than one payment is made, to each payment.

(5) “Injury” does not include any disease.

(6) Nothing in paragraph (5) prevents this Order from applying to—

- (a) treatment received as a result of any disease suffered by the injured person, or
 - (b) ambulance services provided as a result of any disease suffered by him, if the disease in question is attributable to the injury suffered by the injured person (and accordingly that treatment is received or those services are provided as a result of the injury).
- (7) “Health services treatment” means any treatment (including any examination of the injured person) other than—
- (a) treatment provided by virtue of Article 31 of the 1972 Order or paragraph 14 of Schedule 3 to the Health and Personal Social Services (Northern Ireland) Order 1991 (NI 1) (accommodation and services for private patients),
 - (b) treatment provided at a health services hospital by virtue of Article 5(4) of the 1972 Order (permission for use of health services accommodation or facilities in private practice), or
 - (c) treatment provided by virtue of—
 - (i) Article 15B, 56 or 57 of the 1972 Order (primary medical services), or
 - (ii) Article 61 of the 1972 Order (general dental services).
- (8) “Relevant health services charges” means the amount specified in a certificate of health services charges—
- (a) issued under this Order, in respect of the injured person, to the person making the compensation payment, and
 - (b) in force.
- (9) “Compensation scheme for motor accidents” means any scheme or arrangement under which funds are available for the payment of compensation in respect of motor accidents caused, or alleged to have been caused, by uninsured or unidentified persons.
- (10) Regulations may amend Schedule 1 by omitting or modifying any payment for the time being specified in that Schedule.
- (11) This Article applies in relation to any injury which occurs on or after the date on which this Article comes into operation.
- (12) For the purposes of this Order, it is irrelevant whether a compensation payment is made with or without an admission of liability.

Certificates of health services charges

Applications for certificates of health services charges

- 4.—(1) Before a person makes a compensation payment in consequence of any injury suffered by an injured person, he may apply for a certificate of health services charges (in this Order referred to as “a certificate”) to the Department.
- (2) If the Department receives an application under paragraph (1), it shall arrange for a certificate to be issued as soon as is reasonably practicable.
- (3) A certificate may provide that it is to remain in force—
- (a) until a specified date,

- (b) until the occurrence of a specified event, or
- (c) indefinitely.

(4) A person may apply under paragraph (1) for a fresh certificate from time to time.

(5) Paragraph (2) does not require the Department to arrange for a fresh certificate to be issued to a person applying under paragraph (4) if, when the application is received, a certificate issued to the applicant in respect of the injured person is still in force; but the Department may arrange for a fresh certificate to be issued so as to have effect on the expiry of the current certificate.

(6) If a certificate expires, the Department may arrange for a fresh certificate to be issued without an application having to be made.

(7) In the circumstances mentioned in paragraph (8), a person who has made a compensation payment in consequence of an injury suffered by an injured person shall apply for a certificate to the Department.

(8) The circumstances are that—

- (a) at the time the payment is made by the person—
 - (i) no certificate has been issued to him in respect of the injured person, or
 - (ii) if such a certificate has been issued to him, it is no longer in force, and
- (b) no application for a certificate has been made by him during the prescribed period ending immediately before the day on which the compensation payment is made.

(9) An application for a certificate shall be made in the prescribed manner and, in the case of an application under paragraph (7), within the prescribed period.

(10) On receiving an application under paragraph (7), the Department shall arrange for a certificate to be issued as soon as is reasonably practicable.

Information contained in certificates

5.—(1) A certificate shall specify the amount for which the person to whom it is issued is liable under Article 3(2).

(2) The amount to be specified is to be that set out in, or determined in accordance with, regulations, reduced if applicable in accordance with paragraph (3) or regulations under paragraph (10).

(3) If a certificate relates to a claim made by or on behalf of an injured person—

- (a) in respect of which a court in Northern Ireland has ordered a reduction of damages in accordance with section 2 of the Law Reform (Miscellaneous Provisions) Act (Northern Ireland) 1948 (c. 23),
- (b) in respect of which a court in England and Wales or Scotland has ordered a reduction of damages in accordance with section 1 of the Law Reform (Contributory Negligence) Act 1945 (c. 28),
- (c) in respect of which a court in a country other than Northern Ireland, England and Wales or Scotland has ordered a reduction of damages under any provision of the law of that country which appears to the Department

to correspond to section 2 of the Law Reform (Miscellaneous Provisions) Act (Northern Ireland) 1948,

- (d) in respect of which an officer of a court in Northern Ireland or England and Wales has entered or sealed an agreed judgment or order which specifies—
 - (i) that the damages are to be reduced to reflect the injured person's share in the responsibility for the injury in question, and
 - (ii) the amount or proportion by which they are to be so reduced,
- (e) in the case of which the parties to any resulting action before a court in Scotland have executed a joint minute which specifies—
 - (i) that the action has been settled extra-judicially, and
 - (ii) the matters mentioned in sub-paragraph (d)(i) and (ii), or
- (f) in respect of which a document has been made under any provision of the law of a country other than Northern Ireland, England and Wales or Scotland—
 - (i) which appears to the Department to correspond to an agreed judgment or order entered or sealed by an officer of a court in Northern Ireland, and
 - (ii) which specifies the matters mentioned in sub-paragraph (d)(i) and (ii),

the amount specified in the certificate is to be that which would be so specified apart from this paragraph, reduced by the same proportion as the reduction of damages.

(4) If a certificate relates to an injured person who has not received health services treatment at a health services hospital or been provided with health services ambulance services as a result of the injury, it shall indicate that no amount is payable to the Department by reference to that certificate.

- (5) Regulations under paragraph (2) may, in particular, provide—
 - (a) that the amount, or the aggregate amount, specified in a certificate is not to exceed a prescribed sum,
 - (b) for different amounts to be specified in respect of different circumstances or areas,
 - (c) for cases in which an injured person receives treatment at two or more health services hospitals,
 - (d) for cases in which an injured person receives treatment at one or more health services hospitals and is provided with health services ambulance services,
 - (e) for cases in which liability under Article 3(2) is to be apportioned between two or more persons making compensation payments to or in respect of the same injured person in consequence of the same injury,
 - (f) for cases in which a fresh certificate is issued or a certificate is revoked as a result of a review under Article 8 or an appeal under Article 9 or 11,
 - (g) for any matter requiring determination under or in consequence of the regulations to be determined by the Department,

Recovery of Health Services Charges

and in the case of sub-paragraph (e) may make such provision by modifying this Order.

(6) Any reference in paragraph (5)(a) or (b) to any amount specified in a certificate is to the amount which would be so specified apart from paragraph (3) or regulations under paragraph (10).

(7) Regulations under paragraph (2) which provide for cases mentioned in paragraph (5)(e) may (among other things) provide in the case of each compensator for—

- (a) determining, or re-determining, the amount for which he is liable under Article 3(2),
- (b) giving credit for amounts already paid, and
- (c) the payment by any person of any balance or the recovery from any person of any excess.

(8) Regulations under paragraph (2) which provide for cases mentioned in paragraph (5)(f) may (among other things) provide in the case of any compensator for the matters mentioned in sub-paragraphs (b) and (c) of paragraph (7).

(9) For the purposes of paragraph (10), a claim made by or on behalf of an injured person is a qualifying claim if—

- (a) it does not fall within paragraph (3) or within any other description of claim specified in regulations, and
- (b) it is settled, and the damages payable under the settlement are to be reduced to reflect the injured person's share in the responsibility for the injury in question.

(10) Regulations may make provision as to the circumstances in which the amount specified in a certificate relating to a qualifying claim is to be that which would be so specified apart from the regulations, reduced by the same proportion as the reduction of damages.

(11) A person to whom a certificate is issued is entitled to such particulars of the manner in which any amount specified in the certificate has been determined as may be prescribed, if he applies to the Department for those particulars.

(12) Regulations under paragraph (2) may be made so as to apply to any certificate issued after the time the regulations come into operation, other than one relating to a compensation payment made before that time.

(2) If the certificate by reference to which an amount payable under Article 3(2) is determined is issued on or after the settlement date, that amount shall be paid before the end of the period of 14 days beginning with and including the day on which the certificate is issued.

(3) “Settlement date” means the date on which the compensation payment is made.

(4) This Article is subject to Article 7(2).

- (b) he has not made payment, in full, of any amount due under Article 3(2) by the end of the period allowed under Article 6.

(2) The Department may—

- (a) in a case within paragraph (1)(a), issue the person who made the compensation payment with a certificate, and
- (b) in a case within paragraph (1)(b), issue him with a copy of the certificate or (if more than one has been issued) the most recent one,

and, in either case, issue him with a demand that payment of any amount due under Article 3(2) be made immediately.

(3) The Department may recover the amount for which a demand for payment is made under paragraph (2) from the person who made the compensation payment.

(4) Any amount recoverable shall, if the county court so orders, be enforceable as if it were payable under an order of that court.

(5) A document which states that it is a record of the amount recoverable under paragraph (3) is conclusive evidence that the amount is so recoverable if it is signed by a person authorised to do so by the Department.

(6) For the purposes of paragraph (5), a document purporting to be signed by a person authorised to do so by the Department is to be treated as so signed unless the contrary is proved.

Review and appeal

Review of certificates

8.—(1) The Department shall review a certificate issued by it if the certificate relates to a claim made by or on behalf of an injured person—

- (a) in respect of which, after the certificate is issued, a court in Northern Ireland orders a reduction of damages in accordance with section 2 of the Law Reform (Miscellaneous Provisions) Act (Northern Ireland) 1948 (c. 23),

which appears to the Department to correspond to section 2 of the Law Reform (Miscellaneous Provisions) Act (Northern Ireland) 1948,

- (d) in respect of which, after the certificate is issued, an officer of a court in Northern Ireland or England and Wales enters or seals an agreed judgment or order which specifies—
 - (i) that the damages are to be reduced to reflect the injured person's share in the responsibility for the injury in question, and
 - (ii) the amount or proportion by which they are to be so reduced,
- (e) in the case of which, after the certificate is issued, the parties to any resulting action before a court in Scotland execute a joint minute which specifies—
 - (i) that the action has been settled extra-judicially, and
 - (ii) the matters mentioned in sub-paragraph (d)(i) and (ii), or
- (f) in respect of which, after the certificate is issued, a document is made under any provision of the law of a country other than Northern Ireland, England and Wales or Scotland—

(3) The Department may review a certificate issued by it—

- (a) either within the prescribed period or in prescribed cases or circumstances, and

- (b) (subject to paragraph (5)) issue a fresh certificate containing such variations as it considers appropriate, or

Appeal against a certificate or a waiver decision

9.—(1) An appeal against a certificate may be made by the person to whom the certificate was issued on one or more of the following grounds—

 - (ii) ambulance services which are not health services ambulance services provided to the injured person as a result of his injury, or
 - (iii) treatment as mentioned in head (i) and ambulance services as mentioned in head (ii),

 - (b) payment of the amount specified in the certificate has been made to the Department, subject to paragraph (4) and Articles 10(5) and 11(5).
- (3) For the purposes of paragraph (2)(a), if an award of damages in respect of a claim has been made under—

- (orders for provisional damages in personal injury cases), the claim is to be treated as having been finally disposed of.
- (4) The Department may, on an application by the person to whom the certificate was issued, waive the requirement in paragraph (2)(b) that payment of the amount specified in the certificate be made before making an appeal.
- (5) The Department may only grant a waiver if it appears to it that payment of the amount specified in the certificate would cause exceptional financial hardship.
- (6) An appeal against a decision of the Department on an application under paragraph (4) (referred to in this Article and Articles 10 and 11 as a “waiver decision”) may be made by the person to whom the certificate was issued.
- (7) Regulations may make provision—
- (a) as to the manner in which, and the time within which, an appeal against a certificate or waiver decision may be made,
 - (b) as to the procedure to be followed if an appeal against a certificate or waiver decision is made,
 - (c) as to the circumstances in which appeals may be consolidated, and

(3) If an appeal is made under this Article, paragraphs (7) to (13) of Article 15 of the 1998 Order apply to the appeal as they apply to an appeal under that Article (reading references to a tribunal as references to an appeal tribunal constituted as mentioned in Article 10(8)).

- (a) confirm the waiver decision, or
- (b) waive the requirement in question.

(6) In a case in which paragraph (8)(a) of Article 15 of the 1998 Order applies by virtue of paragraph (3) to an appeal against a decision of an appeal tribunal under paragraph (3) of Article 10, paragraph (4) of that Article applies as if the references to the decision of the tribunal on an appeal against a certificate were references to the decision of the Commissioner on an appeal under this Article.
