- (a) as if he were employed for a week in respect of any week in which-
  - (i) he has worked for the employer for not less than twenty hours and has performed some work for which statutory minimum remuneration is payable; or
  - (ii) he has been absent throughout the week by reason of proved illness of or accident to the worker but not exceeding four weeks in the aggregate in the period of twelve months immediately preceding the commencement of the holiday season; or
  - (iii) he has been suspended throughout the week owing to shortage of work but not exceeding six weeks in the aggregate in the period of twelve months last mentioned; or
- (b) as if he were employed on any day of holiday allowed under the provisions of this Schedule, and for the purposes of the provisions of sub-paragraph (a), a worker who is absent on such a holiday shall be treated as having worked the number of hours ordinarily worked by him on that day of the week for the employer on work to which statutory minimum remuneration applies.

Paragraph 11.

Where any day of holiday allowed to any worker under this Schedule falls upon a day of holiday or half-holiday to which the worker may be entitled under any enactment other than the Wages Councils Act (Northern Ireland) 1945, that holiday or half-holiday shall be treated as part of the holiday allowed under this Schedule.

#### Paragraph 12.

In this Schedule the following expressions have the meanings hereby respectively assigned to them, that is to say:—

"normal working week" means the number of days on which it has been usual for the worker to work in a week in the employment of the employer in the twelve months immediately preceding the commencement of the holiday season, or where under paragraph 9 accrued holiday remuneration is payable on the termination of the employment, in the twelve months immediately preceding the date of the termination of the employment.

Provided that—

(i) part of a day shall count as a day;

(ii) no account shall be taken of any week in which the worker did not perform any work for which statutory minimum remuneration has been fixed.

"statutory minimum remuneration" means minimum remuneration (other than holiday remuneration) fixed by a wages regulation order made by the Department to give effect to proposals submitted to it by the Readymade and Wholesale Bespoke Tailoring Wages Council (Northern Ireland). "week" means "pay week".

"One day's holiday pay" means the appropriate proportion of the remuneration which the worker would be entitled to receive from his employer at the date of the annual holiday for one week's work if working his normal working week and the number of daily hours normally worked by him (exclusive of overtime) and if paid as a time worker at the appropriate rate of statutory minimum remuneration for work for which statutory remuneration is payable and at the same rate for any work for which such remuneration is not payable, and in this definition 'appropriate proportion' means—

where the worker's normal working week is five days-one-fifth

where the worker's normal working week is four days or less—one-quarter.

### Paragraph 13.

The provisions of this Schedule are without prejudice to any agreement for the allowance of any further holidays with pay or for the payment of additional holiday remuneration.
