#### EXPLANATORY NOTE

*(This note is not part of the regulations but is intended to indicate their general purport.)*

These regulations amend the Occupational Pension Schemes (Preservation of Benefit) Regulations (Northern Ireland) 1976. Regulation 2 amends regulation 14 of those regulations so that, for the purposes of the preservation requirements set out in Part I of Schedule 3 to the Social Security Pensions (Northern Ireland) Order 1975, a woman's service in an employment is not treated as terminated if it is followed by another employment which results from the exercise of a right to return to work under Article 28(1) of the Industrial Relations (No. 2) (Northern Ireland) Order 1976. Regulation 3 provides that where a scheme provides that in computing long service benefit a deduction is to be made for any reason, any corresponding provision in relation to short service benefit shall be permissible only if the Occupational Pensions Board consider the basis for computing the amount of the deduction to be reasonable.
