## EXPLANATORY NOTE

*(This note is not part of the Order, but is intended to indicate its general purport.)*

This Order makes certain changes in the provisions relating to improvement, intermediate and repairs grants payable by the Northern Ireland Housing Executive under Part VI of the Housing (Northern Ireland) Order 1976 and makes transitional provisions in respect of the payment of grant where an application was made before this Order came into operation.

It increases the limits of eligible expense for intermediate and repairs grants including the maximum eligible amounts for individual standard amenities.

It varies the appropriate percentages (used in determining the amount of grant) for dwellings subject to a protected or statutory tenancy under the Rent (Northern Ireland) Order 1978 and in cases of undue financial hardship and revokes the former provision under which improvement grants of 100 per cent were payable in respect of dwellings having a net annual value of less than £60.

It also permits the Housing Executive to allow, in a housing action area, up to 70 per cent of an improvement grant to be paid for works of repair and replacement.
