Part II

RECKONING OF WAR SERVICE

Members' elections

(2) A qualified member who elects under paragraph (1) may also so elect to reckon pensionable service by virtue of the specified period of war service for the purposes excepted in paragraph (1).

(3) Subject to the payment conditions contained in regulation 9 being satisfied, in the case of a qualified member who elects as mentioned in paragraph (1) or in paragraphs (1) and (2), the principal regulations or, as the case may be, the Order of 1949 shall have effect as though he had been entitled, immediately before his retirement (or death while serving) to reckon an additional period of pensionable service equal to a half of his specified period of war service so, however, that where a qualified member elects only as mentioned in paragraph (1), this paragraph shall not have effect for the purposes excepted in paragraph (1) and for those purposes his pension shall be deemed to be the pension to which he would be entitled without his additional period of pensionable service under this paragraph.

(4) Notice for the purposes of paragraph (1) or (2)-

- (a) shall be given by a qualified member not earlier than three months before his intended retirement nor later than three months, or such longer period as the Police Authority may allow in the circumstances of his case, after his retirement, and
- (b) shall be of no effect if he dies while serving or if it is given more than three months before his actual retirement:

Provided that a qualified member who retired before 15th November 1980 may give notice for the said purposes within three months of that date or within such longer period as the Police Authority may allow in the circumstances of his case.

(5) Where under paragraph (4) the Police Authority allow notice to be given more than three months after 15th November 1980 or the date on which the qualified member retires, as the case may be, then, unless the Police Authority are satisfied that the delay was due to circumstances beyond his control—

- (a) he shall not be entitled to any payment under these regulations in respect of the period before his application is received by the Police Authority;
- (b) paragraph 2 of Part I of the Schedule shall apply to him with the omission of sub-paragraph (a) and the words "in any other case"; and
- (c) regulations 13 and 14 shall not apply to him.

(6) Where a notice for the purposes of paragraph (1) or (2) specifies the whole of a qualified member's period of war service and a shorter period of war service would be sufficient to produce the same benefits, the notice shall be deemed to specify that period.

Members' method of payment

9.—(1) Subject to paragraph (5), the payment conditions referred to in regulation 8(3) shall be satisfied if, within three months of the member concerned exercising his

right of election, or within such longer period as the Police Authority may allow in the circumstances of his case, there is paid to the Police Authority the appropriate sum calculated—

- (a) so far as concerns an election under regulation 8(1), in accordance with Part I of the Schedule;
- (b) so far as concerns an election under regulation 8(2), in accordance with Part II of the Schedule;

(2) Where the member concerned ceased to serve as such before 15th November 1980 and, on that date he was in receipt of a pension then, without prejudice to paragraph (1), the payment conditions shall be satisfied if, within the three-month period mentioned in paragraph (1) by notice he undertakes to pay the appropriate sum by regular instalments of such amount that the payment of the sum will be completed within a period of five years:

Provided that-

- (a) he may at any time discharge his liability under the undertaking, in whole or in part, by paying the whole or part of the balance then outstanding;
- (b) if he dies before discharging his liability under the undertaking, the balance shall be payable immediately.

(3) Where the member concerned is entitled to a deferred pension which has not come into payment within the three-month period referred to in paragraph (1), the payment conditions shall be satisfied if, within three months of the pension coming into payment there is paid to the Police Authority the appropriate sum.

(4) Where the member concerned has commuted a portion of his pension for a lump sum of an amount not less than that of the appropriate sum and payment of the lump sum has not been made, he may by notice instruct the Police Authority to deduct the appropriate sum from the lump sum before making payment thereof; and in such case the giving of the notice shall be treated for the purposes of this regulation and of the Schedule as if it were the payment of the appropriate sum.

(5) Where the member concerned is retiring in circumstances in which a transfer value is payable under regulation 75A of the principal regulations, the payment condition referred to in regulation 8(3) shall be satisfied if the appropriate sum, calculated as provided in paragraph (1), is paid to the Police Authority before he retires or is deducted by the Police Authority from the amount of the transfer value which would otherwise be payable under regulation 75A.

Widows' election and method of payment

10.—(1) This regulation shall apply where a qualified member died before 15th November 1980 or dies while serving or while entitled to give notice for the purposes of regulation 8, not having elected thereunder or having elected only as mentioned in regulation 8(1).

(4) Effect shall be given to requests under paragraphs (2) and (3) and, subject to paragraphs (5) and (6), regulations 8(3) and 9(1) and (2) and the Schedule shall have effect accordingly.

(5) Regulation 9 shall have effect---

(a) as if the reference in paragraph (1) thereof to the member exercising his right of election were a reference to the widow giving the relevant notice; No. 334

- (b) as if in paragraph (2) thereof the words preceding the words "without prejudice" were omitted.
- (6) Part II of the Schedule shall have effect-
- (a) as if in paragraph 1(1) thereof there were omitted the words following the words "widow's pension";
- (b) as if the word "hypothetical" were omitted wherever it occurs in paragraphs 1(2) and 2 thereof;
- (c) as if in paragraph 2(b) thereof, for the reference to 1st April 1975 there were substituted a reference to the date of the death of the member concerned.

(7) Notice for the purposes of paragraph (2) or (3) shall be given by a widow within three months of 15th November 1980 or the date of her husband's death, whichever is the later, or such longer period as the Police Authority may allow in the circumstances of her case.

(8) A notice of election which is of no effect by reason of regulation 8(4)(b) shall be disregarded for the purposes of this regulation.

(2) Where this regulation applies, Part IV of Schedule 3 and Part III of Schedule 4 to the principal regulations shall have effect—

- (a) where the member concerned has half-rate service, other than such service as is mentioned in sub-paragraphs (a) and (b) of paragraph 1(1) of the said Part IV, as if both his half-rate service and mixed-rate service included the pensionable service mentioned in regulation 8(3);
- (b) where the preceding sub-paragraph does not apply but the member concerned has mixed-rate service, as if his mixed-rate service included the pensionable service so mentioned.

Allocation

13.—(1) Where a qualified member has allocated a portion of his pension under regulation 25 of the principal regulations, or as the case may be, paragraph 54 of the Schedule to the Order of 1949, and subsequently receives an increased pension on account of the additional period of pensionable service which he is entitled to reckon by virtue of regulation 8(3), the amount of pension so allocated shall not be affected (without prejudice to the allocation of a further portion).

- (2) The following paragraph shall apply to a qualified member who-
- (a) when entitled to reckon less than 25 years' pensionable service, retired with a short-service or deferred pension a portion of which he allocated as provided in regulation 22 of the principal regulations or, as the case may be, paragraph 54 of the Schedule to the Order of 1949, and
- (b) by virtue of regulation 8(3) is treated as entitled to reckon at least 25 years' pensionable service and to be entitled to an ordinary pension.

- (a) notice of commutation may be given thereunder, subject to paragraph (3), at any time before the expiry of the period of 3 months following this regulation becoming applicable in his case;
- (b) where he retired before 1st April 1975, the maximum portion of the pension which may be commuted shall be determined by reference to the amount of the pension to which he was originally entitled.

(3) The transitional provisions of this paragraph shall apply to the case of a qualified member to whom this regulation applies who retired on or after 1st April 1975 but before 15th November 1980 and gave notice of commutation before he became entitled to reckon an additional period of pensionable service under regulation 8(3):—

- (a) if a lump sum has not been paid to him in respect of that notice of commutation, it shall cease to have effect (without prejudice to the giving of a further notice);
- (b) if the notice of commutation specified the portion of his pension which he wished to surrender as a weekly, monthly or annual sum and he has been paid a lump sum calculated on that basis, he shall be entitled to give a further notice of commutation provided that the two notices shall not specify in total a portion of his pension greater than that allowed by regulation 21(3) of the principal regulations;
- (c) if the notice of commutation specified the portion of his pension which he wished to surrender as a proportion of his pension and he has been paid a lump sum calculated on that basis, the Police Authority shall, unless he requests otherwise, treat the notice as extending to the additional pension payable in respect of the additional period of pensionable service and as effective for that purpose from the date on which he gave notice of his election to reckon war service.

notwithstanding anything in the said regulation 21, the notice of commutation given thereunder shall be treated for the purposes of paragraph (6) thereof as if it related to the ordinary pension mentioned in paragraph (1)(b).

(3) In the case of a qualified member to whom this regulation applies whose deferred pension has not come into payment, a notice of commutation relating to the deferred pension shall not take effect but the provisions of paragraph (2) of regulation 14 shall have effect as if the reference therein to that regulation were a reference to this regulation; and, if he retired before 1st April 1975, regulation 21 of the principal regulations, as applied by regulation 14, shall have effect as if for paragraph (2) there was substituted "The following provisions of this regulation shall have effect as if the member had retired on 1st April 1975 and paragraph (3A) were omitted".

APPROPRIATE SUM

Part I

1. So far as concerns an election under regulation 8(1), the appropriate sum shall be calculated by reference to the period in weeks of the pensionable service referred to in regulation 8(3) (a day being reckoned as a seventh of a week) at the rate of 5% of £4.50 a week in the case of a man and of 5% of £3.95 a week in the case of a woman.

2. The appropriate sum, calculated as aforesaid, shall be increased by an amount equal to the compound interest which would have been payable thereon had the sum become payable on 1st July 1950 and such interest, calculated at $3\frac{1}{2}\%$ per annum with yearly rests, had been payable in respect of the period beginning with that date and ending—

- (a) in the case of a member who was in receipt of a pension on 15th November 1980, immediately before 1st April 1975 or the date of his retirement, whichever is the later;
- (b) in any other case, immediately before payment of the appropriate sum:

Provided that where he dies before payment of the appropriate sum, no interest shall be payable in respect of any time thereafter.

Part II

1.—(1) So far as concerns an election under regulation 8(2), the appropriate sum shall be calculated by reference to the widow's pension ("the hypothetical pension") which would have been payable had the member concerned died on the date of his retirement or on 1st April 1975, whichever is the later, leaving a widow entitled to such a pension.

(2) The appropriate sum shall be a half of the amount by which the actuarial value of the hypothetical pension is increased by the operation of regulation 8(3).

2. For the purposes of paragraph 1—

- (a) where the hypothetical pension is calculated in accordance with the principal regulations, it shall be calculated without regard to Part V of Schedule 3 to those regulations;
- (b) the hypothetical pension shall be calculated without regard to any increase in accordance with Part XIV of the principal regulations or of the Order of 1949 other than such an increase in pursuance of an order made under the Pensions (Increase) Act (Northern Ireland) 1971(i) before 1st April 1975;
- (c) the acturial value of the hypothetical pension shall be determined in accordance with tables prepared by the Government Actuary.

3. Where the member concerned is (or on retirement will be) entitled to a deferred pension, the appropriate sum, determined as aforesaid, shall be increased by an amount equal to the compound interest which would have been payable thereon had the sum become payable on 1st April 1975 or the date of his retirement, whichever is the later, and such interest, calculated at $3\frac{1}{2}\%$ per annum with yearly rests, had been payable in respect of the period beginning with that date and ending immediately before payment of the appropriate sum:

Provided that where he dies before payment of the appropriate sum, no interest shall be payable in respect of any time thereafter.

EXPLANATORY NOTE

(This note is not part of the Regulations, but is intended to indicate their general purport.)

These regulations supplement the Royal Ulster Constabulary Pensions Regulations 1973 (and, in the case of police officers who retired with a pension before 1st April 1972, the Royal Ulster Constabulary Pensions Order 1949). These regulations make special provision for members (defined in regulation 3(1)) who have completed a period of war service (defined in regulation 4(1)) and meet the other qualifications required by regulation 6(1). A qualified member may elect to increase his own pension by buying additional years of reckonable service up to half his period of war service or he may pay more and provide also a corresponding increase in the benefits under the pension scheme for widows and children (regulation 8). The payment conditions are set out in the Schedule. Where a qualified member dies without electing to increase his widow's pension in this way, she may in certain circumstances exercise the right to elect (regulation 10). The other regulations deal with the procedure for exercising the rights under the regulations and adapt the 1973 regulations and 1949 Order where this is necessary to take account of the increase in reckonable service to which an officer may become entitled under these regulations.

These regulations have effect from 1st April 1975 (retrospective effect is authorised by Articles 14 and 15 of the Superannuation (Northern Ireland) Order 1972).
