(3) Subject to the provisions of this article, the amount of the levy imposed on an employer in respect of a construction establishment shall be equal to 0·9 per centum of the emoluments of all persons employed by the employer at or from that establishment—

(6) For the purposes of this article no regard shall be had to the emoluments of any person engaged wholly in the supply of food or drink for immediate consumption.

*Assessment notices*

*Payment of the levy*

4.—(1) Subject to the provisions of this article and of articles 5 and 6 the amount of each assessment appearing in an assessment notice served by the Board shall be payable to the Board in two equal instalments, and the said instalments shall be due respectively one month and five months after the date of the notice.

*Withdrawal of assessment*

5.—(1) The Board may, by a notice served on the person assessed to the levy in the same manner as an assessment notice, withdraw an assessment if that person has appealed against that assessment under the provisions of article 6 and the appeal has not been entered in the Register of Appeals kept under the regulations specified in article 6(5).

(2) The withdrawal of an assessment shall be without prejudice to the power of the Board to serve a further assessment notice in respect of any establishment to which that assessment related and where the withdrawal is made by reason of the fact that an establishment has ceased to carry on business in the seventeenth levy period, the said notice may provide that the whole amount payable thereunder shall be due one month after the date of the notice.

*Appeals*

6.—(1) A person assessed to the levy may appeal to an appeal tribunal against the assessment within one month from the date of the service of the assessment notice or within any further period or periods of time that may be allowed by the Board or an appeal tribunal under the following provisions of this article.

(2) The Board for good cause may, by notice, extend the time within which an appeal may be made by such further period or periods as the Board may allow in any case where an application for such extension is made within the period of four months from the date of the service of the relevant notice of assessment or, where an extension has already been granted, before the period of such extension has expired.

(3) If the Board shall not allow an application for extension of time for appealing, an appeal tribunal shall upon application to the tribunal by the person assessed to the levy within the period of fourteen days from the date of receipt of the decision of the Board refusing such an application have the like powers as the Board under paragraph (2).

(4) In the case of an establishment that ceases to carry on business in the seventeenth levy period on any day after the date of the service of the relevant assessment notice the foregoing provisions of this article shall have effect as if for the period of four months from the date of the service of the assessment notice mentioned in paragraph (2) there were substituted the period of six months from the date of the cessation of business.
