- (b) the board, after consulting the academic authority or authorities concerned, is satisfied that the period which the student will ordinarily require to complete the new course will expire not later than the period he would ordinarily require to complete the course for which the award was originally made, excluding, in each case, in the case of a sandwich course, periods of experience.

(4) A board may refuse to transfer an award if, after consulting the academic authority concerned, it is satisfied that when the student applied for such transfer he did not intend to complete the course to which such application related.

Conditions relating to applications

2.—(1) Subject to sub-paragraphs (2) and (3), an award to be made by a board under Article 39(1) and an award to be made by the Department under Article 40(1) shall be subject to the conditions that—

- (a) an application in respect thereof shall be made in writing and shall reach the award-making body not later than the end of the term in which the applicant commences his course;
- (b) the applicant furnishes the award-making body with a written undertaking that, where provisional or other payments made in pursuance of the award in respect of a year exceed (for whatever reason) the grant payable in respect of that year, he will, if called upon so to do, repay the excess amount;
- (c) the applicant if so required by the award-making body will provide it from time to time with such information as it may consider necessary for the exercise of its functions under Part II of these Regulations.

(2) An application shall be treated as having reached the award-making body as required by sub-paragraph (1)(a) where—

- (a) to the knowledge of the award-making body the application has so reached another award-making body; or
- (b) before the end of the term in which the applicant commences his course, that course had not become a specified course and the application reaches the award-making body before the end of the first term after that course becomes a specified course; or
- (c) in the case of a refugee, the application reaches the award-making body before the end of the term (of his course) first beginning after 1st September 1981, or, if it reaches the award-making body after the end of that term, before the end of the term first beginning after the date on which he was recognised as a refugee; or
- (d) having regard to the circumstances of the particular case, the award-making body considers it should be so treated.

(3) If the applicant has not attained the age of eighteen years, sub-paragraph (1)(b) shall be read as if the references to the applicant were references to the applicant or his parent.

Termination and extension of awards

3.—(1) Subject to sub-paragraphs (2) to (4), an award shall terminate on the expiry of the period ordinarily required to complete the course in respect of which it is made or to which it is transferred in pursuance of paragraph 1(1) or 1(2).

(2) If the academic authority refuses to allow the student to complete his course, the award-making body shall terminate the award forthwith.

(3) If the student does not complete his course within the period ordinarily required, the award-making body—

(a) may extend the award until he has completed the course; and

(b) shall extend the award for a period equivalent to any period in respect of which it has made any payment under Regulation 19(1).

(4) The award-making body may extend an award to enable a student to follow an associated course of study during or at the end of the course in respect of which he holds an award.

(5) The award-making body may, after consultation with the academic authority, terminate an award if it is satisfied that the student has either—

(a) abandoned the course in respect of which he holds the award and the award does not fall to be transferred in pursuance of paragraph 1(1) or 1(2); or

(b) shown himself by his conduct to be unfitted to hold an award.

Supplementary provisions

4.—(1) If, after consultation with the academic authority concerned, an award-making body is of the opinion that the attendance, conduct or progress of a student in relation to a course is not satisfactory, it may suspend or terminate an award held by him in respect of that course, or withhold or reduce any payment normally due in respect of that award.

(2) If, in the case of a student who is required to provide information in accordance with paragraph 2(1)(c), the award-making body is satisfied that he has wilfully failed to comply with any such requirement or has provided information which he knows to be false in a material particular, or has recklessly provided information which is false in a material particular, the award-making body may terminate the award or withhold any payments due under the award as it sees fit.

PART 2

Supplementary maintenance, etc.

9.—(1) This paragraph shall apply in the case of a student at an establishment of further education which is not wholly maintained out of public funds who incurs additional expenditure on his maintenance for the purpose of attending, as part of his course, a period of term-time residential study away from the establishment, being study within the United Kingdom unless (apart from the said period) he is attending, as part of his course, at an establishment in a country outside the United Kingdom and the study is away from that establishment.

(2) In respect of each day for which the student incurs such additional expenditure his supplementary requirement shall be £4.30 or the daily additional expenditure, whichever is the less:

Provided that, where a period of study outside the United Kingdom (whether or not at an establishment) is not a necessary part of the student's course, in arriving at the said aggregate the award-making body, save in so far and to the extent that it otherwise considers appropriate, shall take no account of so much of his expenditure for the purpose of attending that period of study as—

- (a) was incurred outside the United Kingdom; or
- (b) was incurred within the United Kingdom but is in respect of a journey between a port or airport within the United Kingdom and a place outside the United Kingdom or is in respect of a benefit to be enjoyed outside the United Kingdom.

(3) The reference in sub-paragraph (1)(a) to the student attending the institution shall be construed—

12.—(1) This paragraph shall apply in the case of a student who reasonably incurs any expenditure in insuring against liability for the cost of medical treatment provided outside the United Kingdom for any illness or bodily injury contracted or suffered during a period of study outside the United Kingdom.

(2) The student's supplementary requirement in respect of such expenditure shall be the amount reasonably incurred:

Provided that where the expenditure was incurred in connection with a period of study which was not a necessary part of his course, his requirement in respect thereof shall be such amount as the award-making body considers appropriate, not exceeding the said amount.

13.—(1) This paragraph shall apply in the case of a student who—

- (a) is attending a course in architecture, art and design, home economics, landscape architecture, medicine, music, ophthalmic optics, physical education, town and country planning or veterinary science (or medicine) or a course comprising any of those subjects as a principal subject; and

(2) The student's supplementary requirement in respect of such expenditure shall be so much of the expenditure as does not during the course exceed £70.

14.—(1) This paragraph shall apply in the case of a student who, in any week during a vacation (not being a week in respect of which a supplementary requirement falls to be determined under paragraph 7 or 8) would, in the opinion of the award-making body, suffer undue hardship but for this paragraph.

(2) The student's supplementary requirement in respect of each such week shall be such amount as the award-making body considers appropriate having regard to his means, not exceeding £35.

15.—(1) This paragraph shall apply in the case of a disabled student where the award-making body is satisfied that, by reason of his disability, he is obliged to incur additional expenditure in respect of his attendance at the course.

(2) The student's supplementary requirement in respect of such expenditure shall be such amount as the award-making body considers appropriate not exceeding £250.

PART 3

Maintenance of dependants

16.—(1) The requirements of the student referred to in Regulation 13(1)(a) shall include his requirements for the maintenance of dependants during the year and the amount of any such requirement ("dependants requirement") shall be determined in accordance with this Part.

(2) Where a student's requirements for the maintenance of dependants are different in respect of different parts of a year, his dependants requirement for that year shall be the aggregate of the proportionate parts of those differing requirements.

17.—(1) In this Part—

"adult dependant" means, in relation to a student, an adult person dependent on the student not being his child, his spouse or a person living with him as his spouse or his former spouse, subject however to sub-paragraphs (2), (3) and (4);

"child", in relation to a student, includes a person whether under or over compulsory school age, a person adopted in pursuance of adoption proceedings and a step-child but does not include a child born during the student's course unless born of a marriage contracted before the first year of that course or adopted jointly by the student and his spouse by such a marriage, subject however to sub-paragraph (4);

"dependant" means, in relation to a student, his dependent child, his spouse or an adult dependant, subject however to sub-paragraphs (2) and (3);

"income" means income, other than an attendance allowance under Section 35 or a mobility allowance under Section 37A of the Social Security (Northern Ireland) Act 1975(a), for the year from all sources less income tax, social security contributions and child benefit and, in the case of the student's spouse, less, where she or the student makes any payment which was previously made by him in pursuance of an obligation incurred before the first year of his course—

- (a) if, in the opinion of the award-making body, the obligation had been reasonably so incurred, an amount equal to the payment in question;
- (b) if, in its opinion, only a lesser obligation could have been reasonably so incurred, such correspondingly lesser amount (if any) as appears to it appropriate;

“relevant award” means a statutory award in respect of a person’s attendance at a full-time course of advanced further education or a comparable course outside Northern Ireland;

“spouse”, except in the definition of adult dependant, means in relation to a student his spouse by a marriage contracted before the first year of his course, so however that a person shall be treated as though not the student’s spouse if they have ceased ordinarily to live together whether or not an order for their separation has been made by any court, subject however to sub-paragraph (4).

(2) A person, including the student’s spouse, shall not be treated as a dependant of the student during any period for which that person—

(a) holds a relevant award; or

(b) (save for the purposes of paragraph 20) is ordinarily living outside the United Kingdom.

(3) A person shall not be treated as a student’s adult dependant or as his dependent child unless—

(a) in the case of a person other than a child of the student, his income does not exceed by £345 or more the sum specified in paragraph 18(4)(a);

(b) in the case of a child of a student who either has a spouse who is, or but for sub-paragraph (2) would be, his dependant or has an adult dependant, the child’s income does not exceed the sum specified in paragraph 18(4)(b);

(c) in the case of a child of a student who has neither a spouse such as is mentioned in head (b) nor an adult dependant, the child is the only or eldest child dependent on the student whose income does not exceed the sum specified in paragraph 18(4)(a) or the child’s income does not exceed the sum specified in paragraph 18(4)(b),

subject however to sub-paragraph (4).

(4) In the case of a student—

(a) who began his course before 1st September 1981;

(b) whose dependants requirement under paragraph 18 of Part 3 of Schedule 8 to the Students Awards Regulations (Northern Ireland) 1980(a), before the revocation of those Regulations, took account of an adult dependant, spouse or child who falls outside the definitions in sub-paragraph (1); and

(c) whose dependants requirement under the said paragraph 18 would have continued to take account of that adult dependant, spouse or child if those Regulations had not been revoked and these Regulations had not been made,

that adult dependant, spouse or child shall be treated as the student’s adult dependant, spouse or child, as the case may be, for the purposes of paragraph 18 of these Regulations and, in relation to that adult dependant, spouse or child, sub-paragraph (3) shall not apply.

18.—(1) This paragraph shall apply in the case of a student who married before the first year of his course where he has dependants and is an independent student, except that for the purpose of determining a student’s dependants requirement for an adult dependant it shall be immaterial whether or not he married as aforesaid.

(2) The dependants requirement of the student shall, subject to paragraphs 19 and 20, be—

(a) if the student’s spouse holds a statutory award and in calculating payments under it account is taken of the spouse’s dependants requirement, one half of the amount determined in accordance with sub-paragraphs (3) and (4);

(b) in any other case, the whole of the amount so determined.

(3) The amount referred to in sub-paragraph (2) shall be the amount which is $X - (Y - Z)$, where—

(b) Y is the aggregate of the income of the student’s dependants;

(c) Z is so much of the sum ascertained by multiplying £345 by the number of his dependants as does not exceed Y.

(4) The relevant sums referred to in sub-paragraph (3) are—

(a) except where the student has a spouse who is the holder of a relevant award, £965; and

(b) in respect of each dependent child—

(i) under the age of 11 immediately before the beginning of the academic year, or born during that year, £140;

(ii) then aged 11 or over, but under 17, £365;

(iii) then aged 17 or over, £580,

except that the only or eldest dependent child shall be disregarded for the purposes hereof if the student has neither an adult dependant nor a spouse who is, or but for paragraph 17(2) would be, a dependant.

19.—(1) This paragraph shall apply in the case of a student with dependants who—

(a) is an independent student; and

20.—(1) This paragraph shall apply in the case of a student, in whose case paragraph 18 applies, who maintains a dependant outside the United Kingdom.

21.—(1) This paragraph shall apply in the case of a student with dependants who does not satisfy the requirements of paragraph 18.

(2)(a) If, in the opinion of the award-making body, hardship would otherwise occur, such amount as does not exceed an amount determined in accordance with the foregoing paragraphs of this Part may be included as the student's dependants requirement.

(b) If payable by a board, such amount shall be calculated in accordance with arrangements approved by the Department.

PART 4

Older students

22. This Part shall apply in the case of a student who attained the age of 26 years before the first year of the course in respect of which his award was originally made and either—

26. For the purposes of this Schedule, attendance at an establishment or a period of study is a necessary part of a student's course only where the award-making body is satisfied that if the student did not attend the establishment or undertake the period of study, he would not be eligible to complete his course and, for the purpose of being so satisfied, the award-making body may require the matter to be evidenced by a certificate given by the academic authority.

“income of the student's parent” means the total income of the parent from all sources computed as for income tax purposes, except that no deduction shall be made which is in respect of personal reliefs under Chapter II of Part I of the Income and Corporation Taxes Act 1970(a) or which is otherwise of a kind for which provision is made by paragraph 6;

“residual income” means, subject to sub-paragraph (2), the balance of gross income remaining in any year after the deductions specified in paragraph 6 have been made.

(2) Where, in a case not falling within paragraph 5(3) or 5(4), the award-making body is satisfied that the income of the parent in any financial year is as a result of some event beyond his control likely to be, and to continue after that year to be, not more than 85% of his income in the financial year preceding that year, it may, for the purpose of enabling the student to attend the course without hardship, ascertain the parental contribution for the year of his course in which that event occurred by taking as the residual income the average of the residual income for each of the financial years in which that year falls.

(3) Where the student's parent satisfies the award-making body that his income is wholly or mainly derived from the profits of a business or profession carried on by him, then if the award-making body and the parent so agree any reference in this Part to a financial year shall be construed as a reference to a year ending with such date as appears to the award-making body expedient having regard to the accounts kept in respect of that business or profession and the periods covered thereby.

Application of Part 2

3. A parental contribution ascertained in accordance with this Part shall be applicable in the case of every student except—

- (a) an independent student;
- (b) a student who has no parent living or in respect of whom the award-making body is satisfied either—
 - (i) that his parents cannot be found; or
 - (ii) that it is not reasonably practicable to get in touch with them;
- (c) a student who has been in the care of the Department of Health and Social Services or a Health and Social Services Board or in a voluntary home as defined in Section 126 of the Children and Young Persons Act (Northern Ireland) 1968(b) throughout the three years immediately preceding—

(a) 1970 c. 10

(b) 1968 c. 34 (N.I.)

- (i) the first year of his course; or
 - (ii) without prejudice to head (i), his attaining the age of 18 years where he had attained that age before the first year of his course,
- and has not, at any time, during the said period of three years been allowed by that Department or that Board to be under the charge and control of his parents or, in the case of a student who has been in a voluntary home, has not, at any time during such period, been under such charge and control.

Parental contribution

4.—(1) Subject to sub-paragraph (2), the parental contribution shall be—

- (a) in any case in which the residual income is £6,600 or more but less than £8,300, £20 with the addition of £1 for every complete £7 by which it exceeds £6,600;
- (b) in any case in which the residual income is £8,300 or more but less than £13,200, £262 with the addition of £1 for every complete £8 by which it exceeds £8,300; and
- (c) in any case in which the residual income is £13,200 or more, £874 with the addition of £1 for every complete £13 by which it exceeds £13,200,

reduced in each case, in respect of each child of the parent (other than the student) who is dependent on him on the first day of the year for which the contribution falls to be ascertained, by £70 or, if the child holds a statutory award, by £195; and in any case in which the residual income is less than £6,600 the parental contribution shall be nil.

(2) For any year in which a statutory award is held by—

- (a) more than one child of the parent;
- (b) the parent; or
- (c) the student's step-parent,

the parental contribution for the student shall be such proportion of any contribution ascertained in accordance with this Part as the award-making body (after consultation with any other award-making body concerned) considers just.

Gross income

5.—(1) For the purpose of this paragraph, "preceding financial year" means the financial year immediately preceding the year in respect of which the resources of the student fall to be assessed ("assessment year") and "current financial year" means the financial year which includes the first day of that assessment year:

Provided that where references to a financial year fall to be construed in accordance with paragraph 2(3) as references to a year ending with a date less than five months before the assessment year, "preceding financial year" shall mean the year ending with a date five or more months before the beginning of that assessment year and "current financial year" shall mean the year ending with a date within those five months.

(2) Subject to the provisions of this paragraph, "gross income" means the income of the student's parent in the preceding financial year or for the purpose of calculating residual income under paragraph 2(2), in a financial year there mentioned.

(3) Where the award-making body is satisfied that the income of the parent in the current financial year is likely to be not more than 85% of his income for the preceding financial year, it may for the purpose of calculating the parental contribution ascertain the gross income by reference to the current financial year; and, in such case, sub-paragraph (2) shall have effect, in relation to the year in respect of which the student's resources fall to be assessed and, if the award-making body so determines, any subsequent year, as if the reference therein to the preceding financial year were a reference to the current financial year.

(4) Where one of the student's parents has died in either the preceding or the current financial year and the award-making body is satisfied that the income of the surviving parent in the current financial year, when aggregated with that of the deceased parent where he died in that year, is likely to be less than their aggregated income in the preceding financial year, it may for the purpose of calculating the parental contribution ascertain the gross income by reference to the current financial year; and, in such case, sub-paragraph (2) shall have effect, in relation to the year in which the student's resources fall to be assessed, as if the reference therein to the preceding financial year were a reference to the current financial year and, if the deceased parent died in that year, the reference to the student's parent included a reference to his deceased parent.

(5) Where, in pursuance of any trust deed or other instrument or by virtue of sub-sections (1) and (2) of Section 32 of the Trustee Act (Northern Ireland) 1958(a) or any other enactment, any income is applied by any person for or towards the maintenance, education or other benefit of the student or of any person dependent on the student's parent, or payments made to his parent are required to be so applied, that income, or those payments, shall be treated as part of the gross income of the parent.

(6) Any dividends or interest paid or credited to the parent by a building society which has entered into arrangements with the Commissioners of Inland Revenue under Section 343(1) of the Income and Corporation Taxes Act 1970 shall be deemed to have been received by him after deduction of income tax at the reduced rate determined under those arrangements for the year of assessment in which the dividends or interest are paid or credited; and the amount deemed to have been so deducted shall be treated as part of his gross income.

(7) Where any award such as is mentioned in paragraph 1(1)(b)(i) is made by reason of the parents' employment to any member of his family or his household (whether the student or some other such member) who holds a statutory award then, notwithstanding the provisions of Section 61 of the Finance Act 1976(b), that award shall not be treated as part of the gross income of the parent.

(8) There shall be treated as part of the gross income all income arising from an office or employment which by virtue of any enactment is, as such, exempt from tax.

(9) Where the parents do not ordinarily live together the parental contribution shall be ascertained by reference to the income of whichever parent the award-making body considers the more appropriate in the circumstances.

(10) Where the student has a parent and a step-parent, the parental contribution shall be ascertained by reference to the income of the parent.

Deductions

6. For the purpose of determining a parent's residual income there shall be deducted from his gross income—

- (a) in respect of any person, other than a spouse, child or holder of a statutory award, dependent on the parent during the year for which the contribution falls to be ascertained, the amount by which £845 exceeds the income of that person in that year;
- (b) the gross amount of any sums paid as interest (including interest on a mortgage) in respect of which relief is given under the Income Tax Acts, or as interest under the option mortgage scheme;
- (c) the gross amount of any contributions to a dependants' pension scheme (being contributions in respect of which relief is given under the Income Tax Acts);
- (d) the aggregate gross amount of any other contributions to a pension or superannuation fund or scheme and of any premiums on a policy of life assurance (being contributions or premiums in respect of which relief is given under the Income Tax Acts) or so much of that amount as does not exceed 15% of the parent's gross income;
- (e) where the parents ordinarily live together and one of them is incapacitated, so much of the cost in wages of domestic assistance as does not exceed £675;
- (f) where a parent whose marriage has terminated either is gainfully employed or is incapacitated so much of the cost in wages of domestic assistance as does not exceed £675;
- (g) in respect of additional expenditure incurred by reason of the fact that the parent lives in a place where the cost of living is higher than that cost in the United Kingdom, such sum (if any) as the award-making body considers reasonable in all the circumstances;
- (h) in the case of a parent who holds a statutory award, the amount by which the aggregate of his requirements for his ordinary maintenance (ascertained in accordance with Part 1 of Schedule 7) and £345 exceeds the sum payable in respect of maintenance in pursuance of that award.

reduced, in either case, by £70 in respect of each child of the student who is dependent on him or his spouse on the first day of the year for which the contribution falls to be ascertained; and in any case in which the residual income is less than £5,100 the spouse's contribution shall be nil.

(3) If the student marries during any year for which the contribution falls to be ascertained, the contribution for that year shall be the fraction of the sum ascertained in accordance with the provisions of sub-paragraphs (1) and (2) of which the denominator is 52 and the numerator is the number of complete weeks between the date of the marriage and whichever is the earlier of the end of that year and the end of the course.

(4) If the student's marriage terminates during any year for which the contribution falls to be ascertained, the contribution for that year shall be the fraction of the sum ascertained in accordance with sub-paragraphs (1) and (2) of which the denominator is 52 and the numerator is the number of complete weeks between the beginning of that year and the termination of the marriage.

EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations replace, with amendments, the Students Awards (Northern Ireland) Regulations 1980 and the Students Awards (Amendment) Regulations (Northern Ireland) 1980. They have effect on and after 1st September 1981.

The Regulations govern the making of awards ("mandatory awards") which it is the duty of boards to make to specified persons. They do not relate to awards ("discretionary awards") which, in pursuance of Article 39(3), boards may make under arrangements approved by the Department. They also enable the Department to make awards to specified persons for teacher training courses and for long-term residential courses of full-time education for adults at certain specified colleges.

While their text and format do not repeat exactly the provision made in Great Britain, the Regulations maintain parity of awards for Northern Ireland students with their counterparts in Great Britain. They parallel in substance most of the provisions of the Education (Mandatory Awards) Regulations 1981 made by the Secretary of State for Education and Science relating to awards for students from England and Wales.

As compared with the Regulations of 1980, the present Regulations increase awards and relax the means test applicable to the maintenance element thereof. Amounts which are altered are set out in Regulation 3(1) and in Schedules 6 to 9.

Paragraph 2(2)(c) of Schedule 4 relaxes, in the case of students who are refugees, the provisions relating to the time by which applications for awards are to be made.
