EXPLANATORY NOTE

(This note is not part of the Regulations.)

These regulations authorise industrial assurance companies and collecting societies to amend prescribed or approved schemes adopted by them in accordance with the Industrial Assurance (Life Assurance Premium Relief) Regulations (Northern Ireland) 1978. The object is to ensure that tax relief under section 19 of the Income and Corporation Taxes Act 1970 in respect of premiums due on or after 6th April 1981 on policies of industrial assurance, and on other policies issued by collecting societies, may be effected by the premium payer retaining or having refunded to him 15 per cent. of the premiums payable.

This percentage supersedes 17½% of the premium payable which is specified in the 1978 Regulations.

The regulations make consequential adaptations and modifications to relevant enactments.
