EXPLANATORY NOTE

(This note is not part of the Order.)

The Department of Finance and Personnel is required to provide by Order for increases in the rates of public service pensions.

This obligation arises under Article 69 of the Social Security Pensions Order (Northern Ireland) 1975 (as amended by Article 10 of the Social Security (Northern Ireland) Order 1979 and as modified in effect by Article 69A of the Order of 1975 (introduced by Article 10(3) of the Order of 1979)).

The increase to be made in the rates of such pensions is the percentage (or in some circumstances a fraction of the percentage) by which the Department of Health and Social Services acting in conjunction with the Department of Finance and Personnel has, by virtue of the provisions of Article 25 of the Social Security Pensions (Northern Ireland) Order 1975, increased the sums which are the additional components in the rates of long term benefits, namely the additional pension entitlements accruing to employees in respect of their earnings after 5th April 1978.

For pension which began before 23rd November 1981 the increase is 11%.

For pensions which began on or after 23rd November 1981 the increases are computed under the formula set out in Article 69(3)(a) of the Order of 1975 and are as follows:

<i>Pensions Beginning</i>	<i>Percentage Increase</i>	<i>Pensions Beginning</i>	<i>Percentage Increase</i>
23rd November 1981 to 6th December 1981	11%	7th May 1982 to 6th June 1982	5.5%
7th December 1981 to 6th January 1982	10.1%	7th June 1982 to 6th July 1982	4.6%
7th January 1982 to 6th February 1982	9.2%	7th July 1982 to 6th August 1982	3.7%
7th February 1982 to 6th March 1982	8.3%	7th August 1982 to 6th September 1982	2.8%
7th March 1982 to 6th April 1982	7.3%	7th September 1982 to 6th October 1982	1.8%
7th April 1982 to 6th May 1982	6.4%	7th October 1982 to 6th November 1982	0.9%

A deferred lump sum which begins on or before 6th November 1982 and which becomes payable after 21st November 1982 receives the same percentage increase as a pension which begins on the same date.

Article 4 of the Order also provides for increases on certain deferred lump sums which became payable after 22nd November 1981 and before 22nd November 1982.

The Order also provides that the amount by reference to which any increase in the rate of an official pension is to be calculated shall be reduced by an amount equal to the rate of the guaranteed minimum pension entitlement deriving from the employment which gives rise to the official pension. This is required by Article 69(5) of the Social Security Pensions (Northern Ireland) Order 1975 but Article 69A of that Order empowers the Department of Finance and Personnel to direct that in respect of specified cases or classes of case either no such reduction shall be made or the reduction shall be less than the rate of the guaranteed minimum pension.
