## EXPLANATORY NOTE

*(This note is not part of the Regulations.)*

These Regulations replace, with amendments, the Maintenance Allowances (Pupils over Compulsory School Age) (Amendment) Regulations (Northern Ireland) 1981. They have retrospective effect, by virtue of Article 39(2), as substituted by Article 6(1) of the Education (Northern Ireland) Order 1978, of the Education and Libraries (Northern Ireland) Order 1972, on and after 1st September 1982.

The Regulations increase by 4% approximately the rates of allowances in respect of pupils over compulsory school age attending full-time courses at grant-aided schools or institutions of further education. They also similarly increase the amounts which are deductible from gross parental income in respect of other dependants to determine the balance of parental income in relation to which allowances are calculated. The Regulations increase the scales of such income by 9% approximately.
