

1989 No. 337

INDUSTRIAL TRAINING**Industrial Training Levy (Engineering Industry) Order
(Northern Ireland) 1989**

Made 10th August 1989

Coming into operation 21st September 1989

Whereas proposals made by the Engineering Industry Training Board(a) (“the Board”) for the raising and collection of a levy have been submitted to, and approved by, the Department of Economic Development (“the Department”) under Article 23(1) of the Industrial Training (Northern Ireland) Order 1984(b) (“the Order of 1984”);

And whereas the Department estimates that the amount which will be payable by any employer in the engineering industry by virtue of this Order does not exceed an amount which the Department estimates is equal to one per cent. of the relevant emoluments being the aggregate of the emoluments and payments intended to be disbursed as emoluments which have been paid or are payable by any such employer to or in respect of persons employed in the industry, in respect of the period specified in the levy proposals as relevant that is to say the period here after referred to in this Order as the “twenty-fifth base period”;

And whereas in pursuance of Article 23(3) of the Order of 1984 the said proposals include provision for the exemption from the levy of employers who, in view of the small amount of the relevant emoluments, ought in the opinion of the Department to be exempted from it;

And whereas the Department is satisfied that remission proposals submitted to it by the Board in pursuance of Article 25(1) of the Order of 1984 provide for full remission of the remissible part of the levy in such cases as the Department considers appropriate;

And whereas the levy proposals do not include proposals that the amount of the non-remissible part of the levy will exceed two-tenths of one per cent. of the relevant emoluments;

Now, therefore, the Department in exercise of the powers conferred on it by Articles 23(2), (3) and (4) and 24(3) and (4) of the Order of 1984, and of every other power enabling it in that behalf, hereby makes the following Order:—
