EXPLANATORY NOTE

(This note is not part of the Order.)

This Order, made under Article 7(1) of the Education Reform (Northern Ireland) Order 1989 (the 1989 Order) specifies programmes of study and attainment targets in relation to Irish in Irish Speaking Schools.

Article 7(5) of the 1989 Order allows for an Order under 7(1), instead of containing the provisions to be made, to refer to provisions in a Document published by Her Majesty's Stationery Office and to direct that those provisions shall have effect according to the Order.

This Order accordingly refers to "Irish in Irish Speaking Schools, Programmes of Study and Attainment Targets" and provides for the programmes of study and attainment targets set out in it to have effect for each of the first two key stages of a pupil's compulsory schooling (that is to say, the periods beginning and ending primary schooling). The Document sets out up to 6 levels in respect of attainment targets: this Order accordingly specifies as part of each attainment target the appropriate range of attainment levels for each key stage.

This Order further provides that any examples printed in italics in the Document are for illustrative purposes only, and do not form part of the Order.
