EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations further amend the Health and Personal Social Services (General Medical and Pharmaceutical Services) Regulations (Northern Ireland) 1973 ("the principal regulations") which regulate the terms on which doctors and chemists provide general medical services and pharmaceutical services.

Schedule 3A to the principal regulations contains a list of drugs and other substances for which a doctor may not issue a prescription for supply under pharmaceutical services and which may not be dispensed under those services. Regulation 2, paragraphs (a) and (b) remove some substances from, and include other drugs and substances in, that list. An amendment to an entry in the list is effected by regulation 2(c).

Schedule 3B to the principal regulations contains a list of drugs and other substances which may be prescribed for supply under pharmaceutical services only in certain circumstances. Regulation 3(a) amends the entry relating to a drug in Schedule 3B and regulation 3(b) amends that Schedule to include some further contact lens solutions. Regulation 3(c) makes a minor amendment to another entry in that Schedule.
