4.—(1) For the purposes of this Order, the value of any estate in land, charge or notice shall be determined in accordance with paragraphs (2) to (6) and Articles 5 and 6.

(2) Subject to paragraphs (5) and (6), the value of an estate in land (other than a charge) is its market value, that is to say, such sum as the estate would fetch if sold on the open market at the date on which the application with respect to which the value is required to be ascertained is made to the Registry, free from any mortgage or charge for payment of money other than a land purchase annuity.

For the purposes of this paragraph, the Registrar may accept as the market value of an estate, an amount stated to be that value in a statement in writing, signed by the applicant or his solicitor.

(3) Subject to Articles 5 and 6 where an application is made to the Registry to register a charge or to register a transfer, transmission or cancellation of a charge, the value of the charge shall be—

- (b) to cancel such a notice,

the value of the notice shall be the same as in the case of an application to register a charge pursuant to such an order.

(5) Where an application is made to the Registry to register an exchange, the value of the estate in land to which the application relates shall be the combined value of the registered land exchanged, determined in accordance with paragraph (2).

(6) Where an application relates solely to the estate of a person entitled as a tenant in common, joint tenant or coparcener, the value of the estate in land to which the application relates shall be the value of that person's estate; and where a registered owner transfers his estate to himself and another as co-owners, the value of the estate in land to which the application relates shall be the value of the estate passing to the other person.

Charge secured on registered and unregistered land

$$\frac{RL}{WS} \times C$$

- a RL equals the value of registered land;
- b WS equals the value of whole security; and
- c C equals the value of the charge determined in accordance with Article 4(3).
