“Department of the Environment” means the Department of the Environment for Northern Ireland;

Aid for provision of access

3. Subject to the provisions of these Regulations, the Department may make payments of aid to any eligible person who gives both of the following undertakings:—

- (a) to provide a public access route; and
- (b) to observe the management requirements set out in the Schedule.

Application for aid

4.—(1) An application for aid under these Regulations shall be made at such time and in such form, and shall include or be accompanied by such information as the Department reasonably may require to enable it to decide whether to accept the application.

(2) An applicant shall provide such evidence showing the nature of his estate or interest in the farmland or farm lane as the Department may require.

Restrictions on acceptance of applications

5.—(1) The Department shall not accept an application from a tenant in relation to any farmland or farm lane unless it is satisfied that the tenant has notified the landlord of his intention to make the application.

(2) The Department may refuse to accept an application in relation to any farmland or farm lane where it is satisfied that:

- (a) the use of any farmland or farm lane in accordance with the proposals contained in that application would frustrate the purposes of any assistance previously given or to be given out of money provided by or under any statutory provision or by the European Community; or
- (b) the payment of aid under these Regulations would duplicate any assistance previously given or to be given out of money provided by or under any statutory provision or by the European Community.

Change of occupation

6.—(1) Where in the period of duration of the undertaking referred to in regulation 3 there is a change of occupation of the whole or any part of a beneficiary’s farmland or farm lane which is subject to management requirements set out in the Schedule—

- (a) the beneficiary (or, if he has died, his personal representatives or the occupier of the farmland or farm lane) shall within 3 months notify the Department in writing of the change of occupation, and shall supply to the Department such information relating to that change of occupation in such form and within such period as the Department may reasonably determine;
- (b) subject to the provisions of this regulation, the new occupier of that farmland or farm lane may give an undertaking to the Department to comply, for the remainder of that period with the obligations assumed by the original beneficiary.

(2) The Department shall not accept an undertaking from a new occupier of farmland or farm lane to comply with obligations assumed by a beneficiary unless it is satisfied that that new occupier

occupies that farmland or farm lane as an owner or tenant or as the personal representative of that beneficiary.

(3) A new occupier who gives an undertaking to comply with the obligations assumed by the original beneficiary shall supply to the Department such information in such form and within such period following the change of occupation as the Department may reasonably determine.

(4) Where the Department has accepted an undertaking from a new occupier to comply with the obligations assumed by the original beneficiary his undertaking to comply with the such obligations shall be deemed to take effect on the date of the acceptance by the Department of that undertaking.

(5) Where within 3 months from the date of change of occupation a new occupier has not given an undertaking to comply with the obligations assumed by the original beneficiary, the Department may:

- (a) withhold the whole or any part of any payments of aid under these Regulations due to the original beneficiary; and
- (b) recover from that original beneficiary or his personal representatives the whole or any part of any payments of aid under these Regulations already made to him.

(6) Paragraph (5) shall not apply where the change of occupation of the farmland or farm lane is the result of:

- (a) the compulsory purchase of the farmland or farm lane; or
- (b) the death of the original beneficiary; and
 - (i) that original beneficiary occupied that farmland or farm lane as a tenant; and
 - (ii) that tenancy determined on the death of that original beneficiary or was terminated by the landlord following that death.

Amounts of aid and claims

7.—(1) Subject to the provisions of these Regulations the Department shall make payments of aid in respect of each year of the duration of the undertakings referred to in regulation 3.

Obligation to permit entry and inspection

9.—(1) An applicant or beneficiary as the case may be shall permit any authorised person, accompanied by such other persons acting under the Department’s instructions as appear to that authorised person to be necessary for the purpose, at all reasonable times and on production on demand of the authorised person’s authority, to enter upon any farmland or farm lane for the purpose of:

- (a) carrying out an inspection thereof or of any document or record in the possession or under the control of the applicant or beneficiary relating to, or which the authorised person may reasonably suspect relates to, an application, with a view to verifying the accuracy of any particulars given in an application or claim under regulation 7(4) or in any undertaking made by a new occupier pursuant to regulation 6(1)(b); and
- (b) ascertaining whether a beneficiary has complied with any undertaking given by him under these Regulations.

(2) An applicant or beneficiary shall render all reasonable assistance to the authorised person in relation to the matters mentioned in paragraph (1), and in particular shall:

- (a) produce such document or record as may be required by the authorised person for inspection;

10.—(1) Where any person with a view to obtaining the payment of aid under these Regulations to himself or any other person, makes any statement or furnishes any information which is false or misleading in a material particular, the Department may withhold the whole or any part of any aid payable to that person or to such other person, and may recover the whole or any part of any aid already paid to that person or to such other person.

(2) Where a beneficiary:

the Department may withhold the whole or any part of any aid under a scheme payable to that beneficiary, and may recover the whole or any part of any such aid already paid to him.

(3) Before withholding or recovering any aid under regulation 6(5), or paragraph (1) or (2), the Department shall:
