

SCHEDULE 12

Regulation 14(1)(a) (Part B of Annex X to the ATEX Directive)

Content of the EC declaration of conformity

The EC declaration of conformity must contain the following elements:

- the name or identification mark and the address of the manufacturer or his authorised representative established in the Community;
- a description of the equipment, protective system or device referred to in Article 1(2) of the ATEX Directive;
- all relevant provisions fulfilled by the equipment, protective system, or device referred to in Article 1(2) of the ATEX Directive;
- where appropriate, the name, identification number and address of the notified body and the number of the EC type-examination certificate;
- where appropriate, reference to the harmonized standards;
- where appropriate, the standards and technical specifications which have been used;
- where appropriate, references to other Community Directives which have been applied;
- identification of the signatory who has been empowered to enter into commitments on behalf of the manufacturer or his authorised representative established in the Community.
