

## SCHEDULE 2

### Part I

#### Documents and other Particulars to accompany an Application for a Gas Conveyance Licence or Extension (see Note)

##### **Standard conditions**

15. Any modification requested to any of the standard conditions for a gas conveyance licence and the grounds on which the applicant believes that any such modification:—

- (a) is requisite to meet the circumstances of a particular case; and
- (b) is such that no other holder of such a licence would be unduly disadvantaged by the making of the modification.
