
STATUTORY RULES OF NORTHERN IRELAND

1997 No. 244

AGRICULTURE PESTICIDES

Pesticides (Maximum Residue Levels in Crops, Food and Feeding Stuffs) (EEC Limits) (Amendment) Regulations (Northern Ireland) 1997

Made - - - - -

19th May 1997

Coming into operation

30th June 1997

The Department of Agriculture, being a Department designated(1) for the purposes of section 2(2) of the European Communities Act 1972(2) in relation to the common agricultural policy of the European Community, in exercise of the powers conferred on it by the said section 2(2), and of every other power enabling it in that behalf, hereby makes the following Regulations:

Citation and commencement

1. These Regulations may be cited as the Pesticides (Maximum Residue Levels in Crops, Food and Feeding Stuffs) (EEC Limits) (Amendment) Regulations (Northern Ireland) 1997 and shall come into operation on 30th June 1997.

Interpretation

2.—(1) In these Regulations “the principal Regulations” means the Pesticides (Maximum Residue Levels in Crops, Food and Feeding Stuffs) (EEC Limits) Regulations (Northern Ireland) 1995(3).

(2) The Interpretation Act (Northern Ireland) 1954(4) shall apply to these Regulations as it applies to a Measure of the Northern Ireland Assembly.

(1) S.I.1972/1811

(2) 1972 c. 68; section 2 is subject to Schedule 2 of that Act and is to be read with S.I. 1984/703 (N.I. 3) and S.I. 1994/2795 (N.I. 15)

(3) S.R. 1995 No. 33 amended by S.R. 1995 No. 461 and S.R. 1996 No. 527

(4) 1954 c. 33 (N.I.)

Amendment of the principal Regulations

3. The pesticides specified in column 1 of Schedule 1 to these Regulations shall be inserted in column 1 of Schedule 1 to the principal Regulations in their appropriate alphabetically ordered positions and, in relation to each such pesticide, there shall be entered in column 2 of Schedule 1 to the principal Regulations the residues specified in column 2 of Schedule 1 to these Regulations opposite that pesticide.

4. In Schedule 2 to the principal Regulations there shall be inserted, in the appropriate place to preserve the alphabetical ordering from left to right, references to each pesticide stated at the head of a column in Schedule 2 to these Regulations together with the figures specified in the column below the reference to that pesticide so that those figures will appear opposite such groups of products or such individual products in Schedule 2 to the principal Regulations as they appear opposite those products in Schedule 2 to these Regulations.

5. The maximum levels of pesticides per kilogramme of the individual products stated opposite their names in Schedule 3 to these Regulations shall be substituted for the corresponding maximum levels specified in Schedule 2 to the principal Regulations.

Sealed with the Official Seal of the Department of Agriculture for Northern Ireland on

L.S.

19th May 1997.

L. G. McKibben
Assistant Secretary

SCHEDULE 1

Regulation 3

Column 1 <i>Pesticide</i>	Column 2 <i>Residues</i>
Chlormequat	chlormequat
Dicofol	sum of P, P' and O, P' isomers
Disulfoton Fenbutatin oxide	sum of disulfoton, disulfoton sulphoxide and disulfoton sulphone expressed as disulfoton fenbutatin oxide
Fentin	fentin, expressed as triphenyltin cation
Mecarbam	mecarbam
Phorate Pirimiphos-methyl	sum of phorate, its oxygen analogue and their sulfoxides and sulphones expressed as phorate pirimiphos-methyl
Propoxur	propoxur
Propyzamide	propyzamide
Thiabendazole	thiabendazole
Triazophos	triazophos
Triforine	triforine

SCHEDULE 2

Regulation 4

<i>Group to include which the food following belong products</i>	<i>Chlorine dioxide</i>	<i>Dicofo</i>	<i>Disulf</i>	<i>Hados</i>	<i>Hydrogen peroxide</i>	<i>Mecarbam</i>
1. Fruit, fresh, dried or uncooked, preserved by freezing not containing added sugar: nuts

1 Paddy or rough rice, husked rice and semi-milled or wholly milled rice.

2 Other cereals do not include rice.

- 3 Levels are measured on fat, except in the case of foods with a fat content of 10% or less by weight. In these cases the residue is related to the total weight of the boned foodstuff and the MRL is one tenth of the value given in the table, but must be no less than 0.01 mg/kg.
- 4 These levels are for fresh raw cow's milk and fresh whole cream cow's milk expressed on the whole milk.
- 5 For preserved, concentrated or sweetened cow's milk; for raw milk and whole cream milk of another animal origin; and for butter, cheese or curd whether made from cow's milk or other milk or a combination, the following levels apply: — if the fat content is less than 2% by weight, the MRL is taken as half that set for raw milk and whole cream milk; — if the fat content is 2% or more by weight, the MRL is expressed in mg/kg of fat and is set at 25 times that set for raw milk and whole cream milk.
- 6 Birds' eggs in shell (other than eggs for hatching) and whole egg products and egg yolk products (whether fresh, dried or otherwise prepared).
- 7 Poultry meat only.
- 8 Other than poultry meat.
- 9 Meat of cattle, sheep and goats.
- 10 Other than meat or liver of cattle, sheep and goats, and poultry meat.
- 11 Liver of cattle, sheep and goats. The residue definition for this MRL is: 1,1-bis-(parachlorophenol)-2,2-dichloroethanol (PP'-FW152), expressed as dicofol.
- 12 Fat, liver and kidney.
- 13 Other than fat, liver and kidney.
- 14 The residues definition for these MRLs is: sum of propyzamide and all metabolites containing the 3,5-dichlorobenzoic acid fraction expressed as propyzamide.
- 15 Footnotes 3, 5 and 6 do not apply in cases where the lower limit of analytical determination is indicated.

EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations, are made under section 2(2) of the European Communities Act 1972, and further amend the Pesticides (Maximum Residue Levels in Crops, Food and Feeding Stuffs) (EEC Limits)

(5) See under the group "1(vi), Miscellaneous Fruit" in Schedule 2 to S.R. 1995 No. 461

(6) See under the group "2(iii)(b), Fruiting Vegetables" in Schedule 2 to S.R. 1995 No. 461

(7) See under the group "2(vii), Stem Vegetables" in Schedule 2 to S.R. 1995 No. 461

(8) See under the group "2(vii), Stem Vegetables" in Schedule 2 to S.R. 1995 No. 33

(9) See under the group "4. Oilseeds" in Schedule 2 to S.R. 1995 No. 33

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Regulations (Northern Ireland) 1995 (“the principal Regulations”) ([S.R. 1995 No. 33](#), amended by [S.R. 1995 No. 461](#) and [S.R. 1996 No. 527](#)).

The Regulations specify maximum levels of pesticides residues which may be left in crops, food and feeding stuffs in implementation of Council Directives [96/32/EC](#) (O.J. No. L144, 18.6.96, p. 12) and [96/33/EC](#) (O.J. No. L144, 18.6.96, p. 35) which set Community maximum residue levels for the pesticides concerned for the first time (regulations 3 and 4) or replace Community maximum residue levels which have been set previously (regulation 5).

Maximum levels in these Regulations which are followed by * will, when inserted into Schedule 2 to the principal Regulations, connect with the explanation of that symbol given there.
