

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 2

Systems of Control

Contents of reports, records and receipts

25. Any report, summary, record or receipt required to be prepared in accordance with any provision of this Schedule shall, without prejudice to any other provision, bear—

- (a) a unique identification number; and
- (b) the name in capitals and address of the person who created it, and shall be dated and signed by that person.
