

## SCHEDULE 2

### Dangerous Occurrences

#### Part II

#### Dangerous Occurrences which are Reportable in Relation to Mines

##### **Use of emergency escape apparatus**

34. An incident where any apparatus is used (other than for the purpose of training and practice) which has been provided at the mine in accordance with regulation 4 of the Mines (Emergency Egress) Regulations (Northern Ireland) 1975<sup>(1)</sup> or where persons leave the mine when apparatus and equipment normally used by persons to leave the mine is unavailable.
