
STATUTORY RULES OF NORTHERN IRELAND

1997 No. 456

Housing Renovation etc. Grants (Reduction
of Grant) Regulations (Northern Ireland) 1997

Part IV

Income and Capital

Chapter II

Income

Average weekly income other than earnings

21. Any part of a relevant person's income which does not consist of earnings shall be determined by reference to such income over the period of 52 weeks immediately preceding the application or, where such income fluctuates, over such lesser period immediately preceding the application as may enable his average weekly income to be determined more accurately.
