STATUTORY RULES OF NORTHERN IRELAND

---

**1997 No. 552**

**The Specified Risk Material  
Regulations (Northern Ireland) 1997**

**Part V**

**Particular requirements in relation to sheep and goats**

**Possession of unmarked carcasses of sheep and goats**

**19.**—(1) A person shall not have in his possession elsewhere than in a slaughterhouse, in a sealed vehicle or at any approved cutting premises a carcase of a sheep or goat intended for sale for human consumption containing spinal cord, unless it is stamped with the young lamb stamp.

(2) This regulation shall not apply to a carcase of a sheep or goat slaughtered before 1st January 1998.
