
EXPLANATORY NOTE

(This note is not part of the Order.)

This Order provides for the provision and maintenance of a system of remotely operated manually controlled barriers in lieu of gates at Poyntzpass railway level crossing. Section 47 of the Railways Clauses Consolidation Act 1845 (which requires the railway undertaking to provide gates and gatekeepers), section 6 of the Railways Clauses Act 1863 (requirements as to lodges, etc.) and any other statutory provision imposing requirements to the same or similar effect, shall not apply to the crossing whilst this Order remains in force.

Schedule 1 sets out the particulars of barriers, lights, traffic signs and other devices which are to be provided at the crossing. Schedule 2 states the conditions and requirements with which the railway undertaking must comply in relation to the crossing.
