(Amendment) Regulations (Northern Ireland) 1998**

Part II

Drainage Works Generally

Requirement to give reasons for decision to carry out drainage works

13. After regulation 10 there shall be inserted the following regulation—

“Requirement to give reasons for decision to carry out drainage works

10A. Where, having complied with regulation 10, the Department decides to proceed to undertake any drainage works or do anything else referred to in regulation 4(1) in relation to them, it shall inform in writing any person or member State which made representations in accordance with regulation 5(3)(d), 6(a), 9(4) or 9A(4) of its decision and of the reasons and considerations upon which that decision was based and that in making it the Department has taken into consideration the matters specified in regulation 10(a) to (e).”
