

## SCHEDULE 1

### **Recognition of natural mineral waters**

#### PART I

##### Natural mineral waters extracted from the ground in Northern Ireland

3. In so far as particulars of any of the anions, cations, non-ionised compounds or trace elements specified in column 1 of Schedule 2 are required to be given pursuant to paragraph 2, the concentration of each such anion, cation, non-ionised compound or trace element shall, in those particulars, be expressed in the unit of measurement specified opposite it in column 2 of that Schedule.
