

SCHEDULE 1

Article 6(1) and (3)

The Diseases of Animals (Northern Ireland) Order 1981  
The Bovine Spongiform Encephalopathy Order (Northern Ireland) 1999  
**Notice imposing requirements as respects an affected or suspected animal or carcass**

To .....

of .....

.....

The Department of Agriculture hereby gives you notice in accordance with the provisions of the above Order that, as the "owner"/person in charge of the bovine animal or the carcass of a bovine animal specified in the Table you are required—

- (a) to detain the said animal or carcass on the premises known as (insert description of premises including full postal address) .....
- ..... except that the animal or carcass may be—
  - (i) in the case of an animal, slaughtered on such premises;
  - (ii) moved off such premises under the authority of a licence granted by the Department and in accordance with any conditions subject to which the licence is granted; or
  - (iii) in the case of an animal in a slaughterhouse or market, moved direct to its farm of origin under the authority of a licence granted by the Department and in accordance with any conditions subject to which the licence is granted;
- (b) in the event of an animal dying (otherwise than as a result of being slaughtered) on such premises, to immediately inform the Divisional Veterinary Officer of this fact and to retain the carcass of the animal, and, to surrender it to the Department on request;
- (c) in the event of an animal dying or being slaughtered on the premises—
  - (i) to dispose of the carcass of the animal on the premises if so required by the Department; and
  - (ii) except where it is surrendered to the Department in accordance with paragraph (b) not to permit the carcass of the animal to be moved off the premises except under the authority of a licence granted by the Department and in accordance with any conditions subject to which the licence is granted; and
- (d) in the event of an animal being pregnant to ensure that—
  - (i) it is isolated from all other bovine animals on the said premises during the period of calving and for 72 hours afterwards in accommodation which has been approved by the Department for this purpose;
  - (ii) its placenta, discharges and bedding are buried or burnt;
  - (iii) the accommodation used for its calving is cleansed and disinfected in accordance with the directions of the Department; and

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

(iv) the calf is not moved off the premises except under the authority of a licence granted by the Department and in accordance with any conditions subject to which the licence is granted.

This notice remains in force for a period of 28 days from \_\_\_\_\_ but may be renewed by a subsequent notice served by the Department.

Breach of the requirements of this notice may constitute an offence against the Diseases of Animals (Northern Ireland) Order 1981 and render a person liable to penalties on conviction.

The bovine animal or carcass to which this notice applies is specified in the following Table:

<i>Ear Tag Number</i>	<i>Ear of Tagging</i>	<i>Colour</i>	<i>Breed</i>	<i>Class</i>	<i>Date of Birth</i>

SCHEDULE 2

Article 6(2) and (3)

The Diseases of Animals (Northern Ireland) Order 1981  
 The Bovine Spongiform Encephalopathy Order (Northern Ireland) 1999  
**Notice imposing requirements as respects an exposed animal or carcass**

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

To.....  
of.....  
.....

The Department of Agriculture hereby gives you notice in accordance with the provisions of the above Order that, as the \*owner/\*person in charge of the bovine animal or carcase of a bovine animal specified in the Table you are required—

- (a) to detain the animal or carcase on the premises known as (insert description of premises including full postal address) .....  
.....  
except that the animal or carcase may be —
  - (i) in the case of an animal, slaughtered on such premises;
  - (ii) moved off such premises under the authority of a licence granted by the Department and in accordance with any conditions subject to which the licence is granted; or
  - (iii) in the case of an animal in a slaughter-house or market, moved direct to its farm of origin under the authority of a licence granted by the Department and in accordance with any conditions subject to which the licence is granted;
- (b) in the event of an animal dying (otherwise than as a result of being slaughtered) on such premises, to immediately inform the Divisional Veterinary Officer of this fact and to retain the carcase of the animal, and to surrender it to the Department on request;
- (c) in the event of an animal dying or being slaughtered on the premises—
  - (i) to dispose of the carcase of the animal on the premises if so required by the Department; and
  - (ii) except where it is surrendered to the Department in accordance with paragraph (b) not to permit the carcase of the animal to be moved off the premises except under the authority of a licence granted by the Department and in accordance with any conditions subject to which the licence is granted; and
- (d) in the event of an animal being pregnant to ensure that—
  - (i) it is isolated from all other bovine animals on the said premises during the period of calving and for 72 hours afterwards in accommodation which has been approved by the Department for this purpose;
  - (ii) its placenta, discharges and bedding are buried or burnt;
  - (iii) the accommodation used for its calving is cleansed and disinfected in accordance with the directions of the Department; and
  - (iv) the calf is not moved off the premises except under the authority of a licence granted by the Department and in accordance with any conditions subject to which the licence is granted.

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

(e) if you wish to make any representations as to the content of this notice you must make them in writing to the Department within 10 days of the date of the notice.

This notice remains in force for a period of 28 days from \_\_\_\_\_ but may be renewed by a subsequent notice served by the Department.

Breach of the requirements of this notice may constitute an offence against the Diseases of Animals (Northern Ireland) Order 1981 and render a person liable to penalties on conviction.

The bovine animal or carcase to which this notice applies is specified in the following table:

<i>Ear Tag Number</i>	<i>Ear of Tagging</i>	<i>Colour</i>	<i>Breed</i>	<i>Class</i>	<i>Date of Birth</i>
