1999 No. 502

**The Marketing of Ornamental Plant Propagating
Material Regulations (Northern Ireland) 1999**

Marketing requirements and exceptions

3.—(1) Subject to paragraph (2), a supplier shall not market any propagating material unless it complies with the requirements of these Regulations.

(2) These Regulations shall not apply to propagating material intended for—

- (a) export to third countries, if identified as such and kept sufficiently isolated from plant material not intended for such export;
- (b) trials or scientific purposes;
- (c) selection work;
- (d) use in the conservation of genetic diversity.
