EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations, which come into operation on 24th August 2000, amend the Students Awards Regulations (Northern Ireland) 1999 (“the Students Awards Regulations”).

Article 50(1) of the Education and Libraries (Northern Ireland) Order 1986, under which the Students Awards Regulations are made, was repealed on 1st January 1999 with transitional and saving provisions for courses beginning before 1st September 1999, and certain other courses. Regulation 6(3) of the Students Awards Regulations provides that awards can be made under those Regulations for courses beginning after 1st September 1999 but only in certain cases where students have started a course directly after completing a course which began before 1st September 1998. Provision is now made for students who become entitled to an award after 1st September 1999 for a course that began before 1st September 1998 to be eligible for an award under the Students Awards Regulations (*regulation 2(2)*), and for any fees due to be paid as part of that award to be paid as soon as reasonably practicable after the award has been made (*regulation 2(3)*).

The Students Awards Regulations are amended to remove the duty on boards to make a fees award in respect of any student who is participating in the ERASMUS scheme where all periods of study during the academic year are undertaken at an institution outside the United Kingdom (*regulation 2(4)*).

The fee rate in sub-paragraph (*d*)(iv) of Schedule 5 to the Students Awards Regulations is amended to limit the aggregate fees payable for an academic year at the Royal Agricultural College to £1,680 (*regulation 2(5)*).

Pursuant to the Tax Credits Act 1999, with effect from 5th October 1999, family credit is known as working families’ tax credit. Paragraph 1(1)(*o*) of Schedule 7 to the Students Awards Regulations is amended accordingly (*regulation 2(6)(b)*).

The Regulations also correct minor drafting errors: *regulation 2(6)(a)* and (7).
