**2000 No. 253**

**Animals and Animal Products (Import and Export) Regulations (Northern Ireland) 2000**

**Part II**

**Intra-Community Trade**

**Inspection and checking at destination**

**10.**—(1) A veterinary inspector may inspect at all reasonable times, at their place of destination, all animals and animal products imported into Northern Ireland from a member State, so as to ensure that the requirements (including requirements on documentation) of—

- (a) the relevant provisions of the Directives or other measures listed in Part I of Schedule 2;
- (b) any additional requirements specified in Part I of Schedule 2; and
- (c) any additional animal health legislation applicable to the import of those animals and animal products into Northern Ireland

have been complied with.

(2) Where an inspector has information leading him to suspect that, in relation to any animals or animal products imported from a member State, there has been an infringement of any of the Directives or other measures listed in Part I of Schedule 2, any additional requirements specified in that Part of that Schedule and any additional animal health legislation applicable to the import of those animals or animal products into Northern Ireland, he may inspect anywhere and at any time, those animals or animal products as well as any accompanying documentation.
