
STATUTORY RULES OF NORTHERN IRELAND

2000 No. 303

Food Irradiation Provisions Regulations (Northern Ireland) 2000

Amendments to the Food Labelling Regulations (Northern Ireland) 1996

16. For paragraph (4)(b) of regulation 15 (compound ingredients) there shall be substituted—
- “(b) the compound ingredient constitutes less than 25 per cent of the finished product, except that—
- (i) subject to regulation 17, any additive which is an ingredient of such a compound ingredient shall be named in the list of ingredients in accordance with paragraph (2); and
 - (ii) where an ingredient of such a compound ingredient has been irradiated the name of that ingredient and the words required by paragraph 2 of Schedule 2 shall be given, except in the case of food which is prepared for patients requiring sterile diets under medical supervision.”.
