

SCHEDULE 10

Modifications

Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (Northern Ireland) 1997

6. For paragraph 8(2) of Schedule 2 to the Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (Northern Ireland) 1997⁽¹⁾, there shall be substituted—

“In this paragraph, “radiation generator” means any electrical equipment emitting ionising radiation and containing components operating at a potential difference of more than 5 kV.”.

(1) S.R. 1997 No. 455
