

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

## SCHEDULE

### Net Weekly Income

#### Part III

#### Self-employed Earner

##### **Income from board or lodging**

10. In a case where a non-resident parent is a self-employed earner who provides board and lodging, his earnings shall include payments received for that provision where those payments are the only or main source of income of that earner.
