
STATUTORY RULES OF NORTHERN IRELAND

2001 No. 264

Rail Vehicle Accessibility Regulations (Northern Ireland) 2001

Facilities for disabled persons in wheelchairs

Wheelchair spaces

14.—(1) Subject to paragraph (2) a regulated rail vehicle which does not form part of a train shall contain not less than one wheelchair space.

(2) Subject to paragraph (3), where a train consists of a number of regulated rail vehicles shown in column A there shall be in that train not less than the number of wheelchair spaces shown in column B opposite that number of vehicles:

| <i>Column A</i> | <i>Column B</i> |
|---------------------|---------------------|
| 2 to 7 vehicles | 2 wheelchair spaces |
| 8 to 11 vehicles | 3 wheelchair spaces |
| 12 or more vehicles | 4 wheelchair spaces |

(3) Where one or more regulated rail vehicles in a train are provided for a different class of passenger accommodation from another regulated rail vehicle in that train there shall be not less than one wheelchair space in each class of passenger accommodation in that train.
