STATUTORY RULES OF NORTHERN IRELAND

---

**2003 No. 193**

**The Plant Health (Phytophthora  
ramorum) Order (Northern Ireland) 2003**

**Movement of susceptible material originating in third countries**

**5.** Subject to Article 6, where susceptible material originating in the USA or in any other third country has been landed in Northern Ireland, a person shall not move that material –

- (a) within Northern Ireland;
- (b) to another part of the United Kingdom;
- (c) to the Isle of Man or the Channel Islands; or
- (d) to another Member State

unless (subject to Article 9(3) in the case of movement within Northern Ireland) it is accompanied by a plant passport.
