

SCHEDULE 1

MEASURES THAT APPLY IN PROTECTION AND SURVEILLANCE ZONES

PART I

MEASURES THAT APPLY IN A PROTECTION ZONE

Movement restrictions

7. Where a holding has –

- (a) been within a protection zone for longer than 40 days as a result of one outbreak of disease succeeding another; and
- (b) this has given rise to welfare or other problems in keeping the pigs on the holding,

pigs may be moved off the holding provided that any such movement is authorised by a licence issued by an inspector.
