EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations amend the Motor Vehicle Testing Regulations (Northern Ireland) 2003 (the “principal Regulations”).

Regulation 20(2) of the principal Regulations provides that where an application is made for a road fund licence, for a vehicle to which Article 63(2)(b) of the Road Traffic (Northern Ireland) Order 1995 applies, and the applicant does not produce a valid test certificate, the licence will not be granted unless the applicant declares in writing the year of manufacture of the vehicle and that a period of 5 years from the date of manufacture has not expired.

These Regulations amend regulation 20(2)(b) so that an applicant must declare in writing the year of manufacture of the vehicle and that a period of 4 years from the date of manufacture has not expired.
