EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations enable the Department of Agriculture and Rural Development (“the Department”) to establish a procedure for the further consideration of an initial determination made under any of the Common Agricultural Policy (“CAP”) support schemes listed in the Schedule to the Regulations. A review system for CAP support schemes administered under the Integrated Administration and Control System (“IACS”) has already been established by the Department under the Farm Subsidies (Review of Decisions) Regulations (Northern Ireland) (2001) (S.R. 2001 No. 391).

The procedure under these Regulations will allow for a review of the initial determination directed at any person in respect of the administration of any of the Schemes listed in the Schedule to these Regulations. The procedure may take the form of consideration by persons appointed by the Department with a view to their making a recommendation to it as to how the matter should be determined.

The Regulations confer power to pay remuneration and allowances to any such persons appointed, and to charge a fee in respect of the costs of the procedure.
