(5) Following approval by the Department of any application, it shall make a grant which is equal to the price, as agreed between it and the Defra provider, of –

- (a) the satellite-tracking device,

(3) If the successful applicant notifies the Department within a reasonable time of reasons for that failure (or, as the case may be, for anticipating that failure) the Department may grant him an alternative period or place or both within which to have the satellite-tracking device fitted and, as a consequence, the approval shall operate on the basis of that grant.

### **Payments under the Scheme**

6.—(1) Once the installation of the satellite-tracking device has been completed and the Defra provider has informed the Department of this fact, the Department shall, subject to paragraph (2), pay the amount of the price agreed under Article 4(5) to the Defra provider.

(5) An authorised officer entering premises by virtue of this Article may be accompanied by such other persons as the officer considers necessary, and paragraphs (2), (4), (6) and (7) shall apply in relation to such other persons when acting under the instructions of the officer as if they were authorised officers.

(6) An authorised officer may –

“relevant premises” means the fishing boat in respect of which an application has been made and any premises in which the relevant documents are retained or in which an authorised officer has reasonable grounds to believe such documents may be retained.

### **Revocation of approval**

**9.**—(1) At any time after the Department has approved an application in respect of any fishing boat, it may revoke the approval of the application or withhold any part of the payment in respect of the application if it appears to it that the relevant person –

- (a) has not complied with any of the undertakings relating to this Scheme given pursuant to Article 3;
- (b) (i) has knowingly furnished information or produced a document in purported compliance with any provision of this Scheme which is false in a material particular, or  
(ii) has recklessly furnished information or produced a document in purported compliance with any provision of this Scheme which is false in a material particular; or
- (c) has failed, or his employee or agent has failed, to comply with Article 7.

(2) Where approval is revoked under paragraph (1) after any payment relating to the fishing boat to the Defra provider has been made, the Department may recover on demand from the applicant an amount equal to the whole or any part of any such payment.

### **Interest**

**10.**—(1) Where the Department decides to recover on demand an amount in accordance with Article 9(2), it may also recover interest on that amount on a daily basis at the rate of 1% above the LIBOR for the period beginning with the day following that on which the amount was paid and ending on the day on which the Department recovers it.

(3) In any proceedings for recovery under this Scheme, a certificate issued by the Department stating the LIBOR applicable for any day is conclusive evidence of the LIBOR in question if the certificate also states that the Bank of England notified the Department of the LIBOR in question.
