and the European international instruments.

Relevant provisions: Articles 3 to 9, 10(1) to 10(3) and 11 to 13.

- (a) By way of derogation from the requirements of article 5(1), the Department may authorise in writing the purchase by a body, institute or centre approved under regulation 9 of these Regulations of apes belonging to an individual.
- (b) The importation into Northern Ireland of lagomorphs which cannot be shown to have been born on the holding of origin and kept in captivity since birth is prohibited except in accordance with the provisions of the Rabies (Importation of Dogs, Cats and Other Mammals) Order (Northern Ireland) 1977. Lagomorphs born on the holding of origin and kept in captivity since birth must be accompanied on importation by an official health certificate confirming that status and that the holding of origin has been free from rabies for at least one month.
- (c) Animals (other than carnivores, primates, bats and lagomorphs) born on the holding of origin and kept in captivity since birth must be accompanied on importation by a certificate completed by the exporter confirming that status and that the animals do not show any obvious signs of disease at the time of export, and that the premises of origin are not subject to any animal health restrictions.
