(3) Nothing in paragraph (2) shall preclude a person entitled or permitted to appear from referring to issues which he considers relevant to the consideration of the application but which were not issues identified by the inspector pursuant to that paragraph.

(4) Unless in any particular case the inspector otherwise determines, the Department shall begin and the applicant shall have the right of final reply; and the other persons entitled or permitted to appear shall be heard in such order as the inspector may determine.

(5) A person entitled to appear at an inquiry shall be entitled to call evidence and the applicant, the Department and each statutory party shall, subject to paragraph (6), be entitled to cross-examine persons giving evidence, but subject to the foregoing and paragraphs (6), (7) and (8), the calling of evidence and the cross-examination of persons giving evidence shall otherwise be at the discretion of the inspector.

- (b) cross-examination of persons giving evidence; or
- (c) presentation of any other matter,

which he considers to be irrelevant or repetitious; but where he refuses to permit the giving of oral evidence, the person wishing to give the evidence may submit to him any evidence or other matter in writing before the close of the inquiry.

(8) Where a person gives evidence at an inquiry by reading a summary of his proof of evidence in accordance with rule 12(7)—

- (a) the proof of evidence referred to in rule 12(1) shall be treated as tendered in evidence, unless the person required to provide the summary notifies the inspector that he now wishes to rely on the contents of that summary alone; and
- (b) the person whose evidence the proof of evidence contains shall, subject to paragraph (6), then be subject to cross-examination on it to the same extent as if it were evidence he had given orally.

(9) The inspector may direct that facilities shall be afforded to a person appearing at an inquiry to take or obtain copies of documentary evidence open to public inspection.

(10) The inspector may—

- (a) require a person appearing or present at an inquiry who, in his opinion, is behaving in a disruptive manner to leave; and

Procedure after inquiry

16.—(1) After the close of an inquiry, the inspector shall make a report in writing to the Department. This report shall include his conclusions and his recommendations or his reasons for not making any recommendations.

(2) Where closed evidence was considered at the inquiry, the inspector shall set out in a separate part (“the closed part”) of his report any description of that evidence together with any conclusions, recommendations or advice in relation to that evidence.

(3) When making his recommendation the inspector may disregard any written representations, evidence or any other document received after the close of the inquiry.

(4) Subject to paragraph (5) if, after the close of an inquiry, the Department—

- (a) differs from the inspector on any matter of fact mentioned in, or appearing to it to be material to, a conclusion reached by the inspector; or
- (b) takes into consideration any new evidence or new matter of fact (not being a matter of government policy),

and is for that reason disposed to disagree with a recommendation made by the inspector, it shall not come to a decision which is at variance with the recommendation without first notifying a person entitled to appear at the inquiry who appeared at it of its disagreement and the reasons for it; and affording him an opportunity of making written representations to it or (if it has taken into consideration any new evidence or new matter of fact, not being a matter of government policy) of asking for the re-opening of the inquiry.

(5) Where the Department differs from the inspector on any matter of fact mentioned in, or appearing to it to be material to, a conclusion reached by the inspector in relation to a matter in respect of which closed evidence has been given, the notification referred to in paragraph (4) shall include the reasons for the Department’s disagreement unless—

- (a) the notification is addressed to a person who is neither the appointed representative nor a person specified, or of a description specified, in the direction; and
- (b) inclusion of the reasons would disclose any part of the closed evidence.

(6) A person making written representations or requesting that the inquiry be re-opened under paragraph (4), shall ensure that such representations or requests are served on the Department within 3 weeks of the date of the Department’s notification under that paragraph.

(7) The Department may, as it thinks fit, cause an inquiry to be re-opened, and it shall do so if asked by a person notified under paragraph (4) and within the period mentioned in paragraph (6); and where an inquiry is re-opened (whether by the same or a different inspector)—

- (a) the inspector shall send to the persons entitled to appear at the inquiry who appeared at it a written statement of the matters with respect to which further evidence is invited; and

- (a) the appointed representative; or
 - (b) a person specified, or of any description specified, in the direction.
- (4) Subject to paragraph (5), where a copy of the inspector's report is not sent with the notification of the decision, the notification shall be accompanied by a statement of his conclusion and of any recommendation made by him, and if a person entitled to be notified of the decision has not received a copy of that report, he shall be supplied with a copy of it on written application to the Department.

- (a) the appointed representative; or
 - (b) a person specified, or of any description specified, in the direction.
