

## SCHEDULE 2

Regulation 4

### Transitional Arrangements

#### Existing site licences

1.—(1) Any site licence authorising an establishment or undertaking carrying out treatment operations to store or treat WEEE on 5th January 2007 (“an existing site licence”) shall be read as containing the following condition—

“The operator shall carry out the storage prior to treatment and treatment of any WEEE in accordance with such requirements of Article 6(1), (3) and (4) and Annexes II and III of the WEEE Directive as are applicable to the activity in question.”

(2) In any case where before the coming into operation of these Regulations an existing site licence authorises an activity falling within paragraph 49, 50 or 51 in Part I of Schedule 2 to the 2003 Regulations, the licence shall be treated as revoked (so far as it relates to that activity) from the determination date.

(3) In any other case, an existing site licence shall cease to authorise an establishment or undertaking carrying out treatment operations to store or treat WEEE from the determination date unless the licence is modified to authorise storage or treatment in accordance with the WEEE Directive.

#### Registered exemptions

2.—(1) An establishment or undertaking carrying on an exempt activity involving the storage or treatment of WEEE at any place immediately before 5th January 2007 may continue to carry on that activity at that place in accordance with the 2003 Regulations, as they were in operation immediately before 5th January 2007, until the determination date.

(2) An establishment or undertaking falling within sub-paragraph (1) which is carrying out treatment operations shall be subject to the condition that the storage prior to treatment and treatment shall be carried out in accordance with such requirements of Article 6(1), (3) and (4) and Annexes II and III of the WEEE Directive as are applicable to the activity in question.

(3) The requirement described in sub-paragraph (2) shall have effect as if it were a condition of the relevant paragraph of Part I of Schedule 2 to the 2003 Regulations.

#### Meaning of determination date

3. In this Schedule the “determination date” is—

- (a) where an application for a modification to a waste management licence is duly made in accordance with article 8 of the 1997 Order in relation to the storage or treatment of WEEE before 1st July 2007, the date on which the application is granted or if the application is (or is deemed to be) rejected, the date on which the period for appealing against that rejection expires without an appeal being made or any appeal is withdrawn or finally determined;
- (b) where an application for a waste management licence is duly made in accordance with article 8 of the 1997 Order in relation to the storage or treatment of WEEE before 1st July 2007, the date on which the application is granted or, if the application is (or is deemed to be) rejected, the date on which the period for appealing against that rejection expires without an appeal being made or on which any appeal is withdrawn or finally determined;
- (c) where a notification is provided in relation to an exempt activity involving the storage or treatment of WEEE before 1st July 2007, the date on which the appropriate registration
