

SCHEDULE 2

Transitional Arrangements

Existing site licences

1.—(1) Any site licence authorising an establishment or undertaking carrying out treatment operations to store or treat WEEE on 5th January 2007 (“an existing site licence”) shall be read as containing the following condition—

“The operator shall carry out the storage prior to treatment and treatment of any WEEE in accordance with such requirements of Article 6(1), (3) and (4) and Annexes II and III of the WEEE Directive as are applicable to the activity in question.”.

(2) In any case where before the coming into operation of these Regulations an existing site licence authorises an activity falling within paragraph 49, 50 or 51 in Part I of Schedule 2 to the 2003 Regulations, the licence shall be treated as revoked (so far as it relates to that activity) from the determination date.

(3) In any other case, an existing site licence shall cease to authorise an establishment or undertaking carrying out treatment operations to store or treat WEEE from the determination date unless the licence is modified to authorise storage or treatment in accordance with the WEEE Directive.
