The Construction (Design and Management)  
Regulations (Northern Ireland) 2007

PART 4

DUTIES RELATING TO HEALTH AND SAFETY ON CONSTRUCTION SITES

**Temperature and weather protection**

**42.**—(1) Suitable and sufficient steps shall be taken to ensure, so far as is reasonably practicable, that during working hours the temperature at any place indoors is reasonable having regard to the purpose for which that place is used.

(2) Every place of work outdoors shall, where necessary to ensure the health and safety of persons at work there, be so arranged that, so far as is reasonably practicable and having regard to the purpose for which that place is used and any protective clothing or work equipment provided for the use of any person at work there, it provides protection from adverse weather.
