EXPLANATORY NOTE

(This note is not part of the Regulations.)

These Regulations, which come into operation on 30th October 2007, supplement in respect of Northern Ireland the Community legislation listed in the Schedule to the Regulations (“the Community legislation”). The Community legislation *inter alia* provides for support to be paid from the European Agricultural Fund for Rural Development (“Community support”) towards investment relating to the marketing of agricultural and forestry products.

The Regulations operate within the scope of these provisions by enabling Community support to be paid by the Department of Agriculture and Rural Development (“the Department”) in respect of any expenditure it has approved. Such expenditure may be approved if it is eligible for assistance under the Community legislation and is expenditure for which support may be granted pursuant to Articles 20(b)(iii) and 28 of Council Regulation (EC) No. 1698/2005 (regulations 3 to 5).

The Regulations also provide for the making of claims for, and the payment of, grants following approval (regulations 6 and 7) and also contain provisions creating obligations on those in receipt of grants concerning the provision of information (regulation 8) and record-keeping (regulation 9).

In addition the Regulations confer powers of entry on certain authorised persons, including Officials of the Commission (regulation 10), introduce a system of penalties to be imposed in the event of a breach of obligations by granting the Department various powers to take action, up to and including termination of approval in the event of breaches of the conditions of an approval and in a number of other cases (regulations 11 to 13), provide power to recover interest on sums recovered and that these be classified as a debt (regulations 14 and 15) and create offences in respect of the furnishing of false information for the purpose of obtaining financial assistance and in respect of obstruction (regulation 16).

The Regulations revoke, subject to transitional saving, the Marketing of Quality Agricultural Products Grant Regulations (Northern Ireland) 2002 (S.R.2002 No.29) (regulation 17).
