EXPLANATORY NOTE

(This note is not part of the Order)

These Regulations amend the Producer Responsibility Obligations (Packaging Waste) Regulations (Northern Ireland) 2007 (the “2007 Regulations”). The 2007 Regulations impose on exporters an obligation to be accredited by the Department before they can issue a packaging waste export recovery note, as evidence of the export of the tonnage of packaging waste specified in the note for reprocessing outside the United Kingdom. These Regulations revise the requirements for accreditation of an exporter imposed by the 2007 Regulations.

An Impact Assessment which shows the anticipated cost of compliance to businesses and the environmental benefits in respect of these Regulations may be obtained from the Producer Responsibility Unit, Zone 6D, Ergon House, Horseferry Road, London SW1P 2AL.
