

SCHEDULE

PART 1

GENERALLY APPLICABLE RULES AND PRINCIPLES

9. The person responsible must publish—
 - (a) a list of all official statistics at least annually to which that person has granted pre-release access;
 - (b) at the same time as or prior to the publication of an official statistic a list of the job title and organisation of persons to whom the person responsible has granted pre-release access to that statistic; and
 - (c) arrangements made by the person responsible to ensure compliance with this Schedule including, where appropriate, the role of the departmental senior statisticians.
